Whereas, Alpha Phi Alpha Fraternity, the first intercollegiate Greek-letter fraternity established for African Americans, was founded to help fill a need for a strong bond of brotherhood among African descendants in this country;

A CONCURRENT RESOLUTION recognizing March as National Colorectal Cancer Awareness Month.

Whereas, Colorectal cancer, commonly known as colon cancer, is the second leading cause of cancer-related deaths in the United States, passing both breast and prostate cancer in mortality and second only to lung cancer in the number of cancer deaths;

Whereas, One of the missions of National Colorectal Cancer Awareness Month is to increase support of innovative colorectal cancer prevention and early detection research;

Whereas, Even though colorectal cancer is highly preventable, an

estimated 148,610 new cases will be diagnosed in 2006 and 55,170 people will die from the disease;

Whereas, Screening tests are the most effective way to prevent colorectal cancer;

Whereas, By catching colorectal cancer in its earliest, most curable stages, screening tests can save lives even when they detect polyps that have become cancerous;

Whereas, When colorectal cancer is discovered early, it can be cured in most cases;

Whereas, The risk of developing colorectal cancer increases with age; 9 out of 10 people diagnosed are older than 50 years of age;

Whereas, Other major risk factors associated with colorectal cancer are a personal history of intestinal polyps, a personal history of bowel diseases, a family history of colorectal cancer or polyps, smoking or use of other tobacco products, obesity and lack of exercise, and a diet of foods high in fat;

Whereas, Because of disproportionate screening, African-Americans and Hispanics are more likely to be diagnosed with advanced stage colorectal cancer; and

Whereas, Through understanding and preventive testing methods, deaths from colorectal cancer can be greatly reduced or even eliminated in the very near future: Therefore,

Be it resolved by the House of Representatives of the General Assembly of the State of Indiana, the Senate concurring:

SECTION 1. That the Indiana General Assembly recognizes March as National Colorectal Cancer Awareness Month and urges all Hoosiers, especially those over 50 years of age, to have regular screening tests for colorectal cancer so that the grief caused by the deaths of our beloved colleagues James Bottorff and Charles "Bud" Meeks will never happen to Hoosier families again.

SECTION 14. IC 36-8-16.5-39, AS AMENDED BY P.L.146-2005, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 39. (a) Except as provided by section 26 of this chapter and subsections (b) and (c), the fund must be managed in the following manner:

(1) Three cents (\$0.03) of the wireless emergency 911 fee collected from each subscriber must be deposited in an escrow account to be used to reimburse:

(A) CMRS providers, PSAPs, and the board for costs associated with implementation of phase two (2) of the FCC order; and

(B) the board for costs associated with other wireless enhanced 911 services mandated by the FCC and specified in the FCC order but not incurred by CMRS providers or PSAPs.

A CMRS provider or a PSAP may recover costs under this chapter if the costs are incurred before July 1, 2005, and invoiced to the board not later than December 31, 2005. The board may invest money in the account in the manner prescribed by section 23 of this chapter and may use the proceeds of the investments to reimburse CMRS providers and PSAPs under this subdivision.

(2) At least twenty-five cents (\$0.25) of the wireless emergency 911 fee collected from each subscriber must be deposited in an escrow account and used to reimburse CMRS providers for the actual costs incurred by the CMRS providers before July 1, 2005, in complying with the wireless 911 requirements established by the FCC order and rules that are adopted by the FCC under the FCC order, including costs and expenses incurred in designing, upgrading, purchasing, leasing, programming, installing, testing, or maintaining all necessary data, hardware, and software required to provide service as well as the costs of operating the service. The board may invest money in the account in the manner prescribed by section 23 of this chapter and may use the proceeds of the investments to reimburse CMRS providers under this subdivision. The CMRS provider may only request funds for true cost recovery. The board may increase the amount held in escrow under this subdivision not more than one (1) time a calendar year. If the board adjusts the wireless emergency 911 fee under section 26(a) of this chapter within a calendar year, an adjustment to the amount held in escrow under this subdivision for the calendar year must be made at that time.

(3) Two percent (2%) of the wireless emergency 911 fee collected from each subscriber may be used by the board to recover the board's expenses in administering this chapter. However, the board may increase this percentage at the time the board may adjust the monthly fee assessed against each subscriber to allow for full recovery of administration expenses.

(4) The remainder of the wireless emergency 911 fee collected from each subscriber must be distributed in the following manner:

(A) The board shall distribute on a monthly basis to each county containing one (1) or more eligible PSAPs, as identified by the county in the notice required under section 40 of this chapter, a part of the remainder based upon the county's percentage of the state's population (as reported in the most recent official United States census). A county must use a distribution received under this clause to make distributions to PSAPs that:

(i) are identified by the county under section 40 of this chapter as eligible for distributions; and

(ii) accept wireless enhanced 911 service;

for actual costs incurred by the PSAPs in complying with the wireless enhanced 911 requirements established by the FCC order and rules.

(B) The amount of the fee remaining, if any, after the distributions required under clause (A) must be distributed in equal shares between the escrow accounts established under subdivisions (1) and (2).

(b) Notwithstanding the requirements described in subsection (a),

the board may transfer money between and among the accounts in subsection (a) in accordance with the following procedures:

(1) For purposes of acting under this subsection, the board must have a quorum consisting of at least one (1) member appointed under section 18(c)(2) of this chapter and at least one (1) member appointed under section 18(c)(3) of this chapter.

(2) A transfer under this subsection must be approved by the affirmative vote of:

(A) at least fifty percent (50%) of the members present at a duly called meeting of the board who are appointed under section 18(c)(2) of this chapter; and

(B) at least fifty percent (50%) of the members present at a duly called meeting of the board who are appointed under section 18(c)(3) of this chapter.

(3) The board may make transfers only one (1) time during a calendar year.

(4) The board may not make a transfer that:

(A) impairs cost recovery by CMRS providers or PSAPs; or

(B) impairs the ability of the board to fulfill its management and administrative obligations described in this chapter.

(c) If all CMRS providers have been reimbursed for their costs under this chapter, and the fee has been reduced under section 26(c) of this chapter, the board shall manage the fund in the following manner:

(1) One cent (\$0.01) of the wireless emergency 911 fee collected from each subscriber may be used by the board to recover the board's expenses in administering this chapter. However, the board may increase this amount at the time the board may adjust the monthly fee assessed against each subscriber to allow for full recovery of administration expenses.

(2) Thirty-eight and three tenths cents (\$0.383) of the wireless emergency 911 fee collected from each subscriber must be distributed to each county containing at least one (1) PSAP, as identified in the county notice required by section 40 of this chapter. The board shall make these distributions in the following manner:

(A) The board shall distribute on a monthly basis to each eligible county thirty-four and four tenths cents (\$0.344) of the wireless emergency 911 fee based upon the county's percentage of the state's population.

(B) The board shall distribute on a monthly basis to each eligible county three and nine tenths cents (\$0.039) of the wireless emergency 911 fee equally among the eligible counties. A county must use a distribution received under this clause to reimburse PSAPs that:

(i) are identified by the county under section 40 of this chapter as eligible for distributions; and

(ii) accept wireless enhanced 911 service;

for actual costs incurred by the PSAPs in complying with the wireless enhanced 911 requirements established by the FCC order and rules.

~~(C) The board shall deposit the remainder of the wireless emergency 911 fee collected from each subscriber into an escrow account to be used for costs associated with other wireless enhanced 911 services mandated by the FCC and specified in the FCC order but not incurred by PSAPs. The board may invest money in the account in the manner prescribed by section 23 of this chapter and may use the proceeds of the investments for costs associated with other wireless enhanced 911 services mandated by the FCC but not specified in the FCC order or to make distributions to PSAPs under this section.~~

(3) If the fee has been reduced under section 26(c) of this chapter, ~~and if the board has made the distributions under subdivisions (1) and (2), the board may use money remaining in the accounts for a purpose set forth in section 41.5 of this chapter.~~

~~(4) If the fee has been reduced under section 26(c) of this chapter, and if money remains in the accounts after a distribution under subdivision (3), the board shall deposit the remainder of the wireless emergency 911 fee collected from each subscriber into an escrow account to be used for costs associated with other wireless enhanced 911 services~~

mandated by the FCC and specified in the FCC order but not incurred by PSAPs. The board may invest money in the account in the manner prescribed by section 23 of this chapter and may use the proceeds of the investments for costs associated with other wireless enhanced 911 services mandated by the FCC but not specified in the FCC order or to make distributions to PSAPs under this section. The board shall determine how money remaining in the accounts or money for uses described in subsection (a) is to be allocated into the accounts described in this subsection or used for distributions under ~~this subsection: subdivisions (1) and (2).~~

This subsection does not affect the transfer provisions set forth in subsection (b).

SECTION 15. IC 36-8-16.5-41.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: **Sec. 41.5. (a) A county shall use its distribution made under section 39 of this chapter for the lease, purchase, construction, or maintenance of a county emergency operations center (as defined in IC 10-14-3-3.5), including the lease, purchase, installation, or maintenance of equipment necessary to operate the county emergency operations center.**

(b) If:

(1) the board receives a written complaint alleging that a county has used money received under section 39 of this chapter in a manner that is inconsistent with this chapter; and

(2) a majority of the board votes to conduct an audit of the county;

the board may contract with a third party auditor to audit the county to determine whether the county has used money received under this chapter in a manner consistent with this chapter."

RESOLUTIONS ON SECOND READING

House Concurrent Resolution 35

The Speaker handed down on its passage House Concurrent Resolution 35, authored by Representatives Budak, Pelath, and Ayres:

A CONCURRENT RESOLUTION recognizing the need for protection of our environmental and economic resources.

Whereas, The Great Lakes are a tremendous value to Indiana as an environmental and economic resource, both as the world's largest body of fresh water and as a crucial international shipping channel;

Whereas, Aquatic invasive species have caused significant damage to native environments and industrial operations in the Great Lakes and around the world;

Whereas, Indiana ranks 14th in the nation for waterborne shipping with nearly 70 million tons of maritime cargo per year, and the state's Lake Michigan ports provide Indiana farmers, steel mills, and manufacturers with access to foreign markets through the Great Lakes/St. Lawrence Seaway;

Whereas, Current federal laws governing the introduction of aquatic invasive species into United States waters via ballast water of ocean-going ships and other sources are inadequate;

Whereas, Because of the detrimental effects of imposing regional restrictions on an international shipping channel, there is a need for federal regulation; and

Whereas, There is currently no nationally accepted standard for ballast water quality nor any approved ballast treatment technologies available to ship operators: Therefore,

Be it resolved by the House of Representatives of the General Assembly of the State of Indiana, the Senate concurring:

SECTION 1. That the Indiana General Assembly has a great concern for the protection of its environmental and economic resources.

SECTION 2. That the Indiana General Assembly urges the United States Congress to acknowledge the national urgency of this problem and move quickly to enact federal legislation to establish a strong ballast water regulatory program sufficient to prevent future introduction of aquatic invasive species into all United States waters.

SECTION 3. That the Indiana General Assembly declares its support for the efforts of the United States Coast Guard and International Maritime Organization to put in place an international ballast water treatment and regulatory program.

SECTION 4. That the Indiana General Assembly declares its support for the "Great Ships Initiative," a research and development project funded jointly by the Indiana Port Commission and other Great Lakes ports, the U.S. Department of Transportation, the National Fish and Wildlife Foundation, and other federal agencies with the goal of accelerating the development and availability of ballast water treatment technology.

SECTION 5. That the Principal Clerk of the House of Representatives shall transmit copies of this resolution to the President of the United States, the Indiana Congressional delegation, federal agencies that regulate maritime transportation, and the Great Lakes Commission.

[Journal Clerk's Note: House Concurrent Resolution 35, as introduced, did not include a SECTION concerning transmittal of the resolution to the intended recipients. By unanimous consent, the resolution was corrected by the Committee on Rules and Legislative Procedures by adding SECTION 5 above.]

The resolution was read a second time and adopted by voice vote. The Clerk was directed to inform the Senate of the passage of the resolution. Senate sponsor: Senator Landske.

RESOLUTIONS ON FIRST READING

Senate Concurrent Resolution 18

The Speaker handed down Senate Concurrent Resolution 18, sponsored by Representatives Bottorff, Saunders, and Goodin:

A CONCURRENT RESOLUTION urging the Indiana Congressional Delegation to support legislation calling for federal approval to extend the Lewis and Clark National Historic Trail.

Whereas, The Lewis and Clark Expedition is about President Thomas Jefferson's dream, the planning and preparation required for an early 19th-century military expedition, and then finally about the journey itself;

Whereas, The Lewis and Clark Expedition met at Clarksville, Indiana and stayed with George Rogers Clark who was the Brother of William Clark;

Whereas, Clarksville, Indiana was one of the bases of formation and the site of their beginning of the Expedition;

Whereas, Members of the Indiana Congressional Delegation have supported and been the primary sponsors of legislation before Congress which would have amended the National Trails System Act by extending the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or the return phase of the expedition;

Whereas, Members of the Indiana Congressional Delegation will introduce legislation calling for a feasibility study on extending the Lewis and Clark National Historic Trail to the East;

Whereas, The Lewis and Clark Trail Heritage Foundation supports recognition of a continuous trail across the country on the National Park Service's official trail map and the right to post the official trail signs—Two Captains Pointing the Way—which are posted throughout the West;

Whereas, The extension of the Lewis and Clark National Historic Trail from coast to coast would complete the story and expose a broader base of Americans to the educational and cultural aspects of the expedition;

Whereas, The Lewis and Clark Trail Heritage Foundation believes that the status quo does not adequately recognize Monticello, the home of Thomas Jefferson where he dreamed his vision for America; Washington, D.C., where he shared his dream with Meriwether Lewis; or a variety of other significant places throughout the Eastern Legacy states; and

Whereas, The Lewis and Clark Trail Heritage Foundation partners with the National Park Service, the Bureau of Land Management and the Forest Service in caring for the Lewis and Clark National Historic Trail and also supports scholarships, educational efforts, and research on the expedition: Therefore,

*Be it resolved by the Senate
of the General Assembly of the State of Indiana,
the House of Representatives concurring:*

SECTION 1. The General Assembly hereby supports and urges the Indiana Congressional Delegation to support legislation calling for federal approval to extend the Lewis and Clark National Historic Trail.

SECTION 2. The Secretary of the Senate shall forward a copy of this resolution to each member of the Indiana Congressional Delegation.

The resolution was read a first time and adopted by voice vote. The Clerk was directed to inform the Senate of the passage of the resolution.

A CONCURRENT RESOLUTION honoring Colonel Charles H. Greenwood for his dutiful four years of service as Wing Commander of the Indiana Wing of the U.S. Air Force's Auxiliary Civil Air Patrol upon completion of his tenure in the position.

Whereas, Colonel Greenwood has received undergraduate and graduate degrees in education from Ball State and a doctoral degree in education from Indiana University;

Whereas, He served in various capacities both as a professor and as an administrator at Ball State University for over four decades, including serving in positions such as Assistant Dean of Undergraduate Programs and Assistant Dean of the School of Continuing Education;

Whereas, He has served a long and dedicated career in the military, beginning his service in 1952 as a member of the U.S. Air Force ROTC program at Indiana University and advancing to his current position of Wing Commander of the Indiana Wing of the USAF Civil Air Patrol;

Whereas, He is a dedicated public servant and has continuously and selflessly served the community in various positions such as Educational Director of the Academy for Community Leadership, Board of Directors for Ball Memorial Hospital, Member of the Muncie Redevelopment Commission, Indiana District Governor for Kiwanis International, and Board Member for the Muncie Housing Authority, among many others; and

Whereas, Colonel Greenwood will retire from his position as Wing Commander this Spring and will be honored for his dedicate service at Grissom Air Force Base on March 25, 2006: Therefore,

*Be it resolved by the Senate
of the General Assembly of the State of Indiana,
the House of Representatives concurring:*

SECTION 1. The General Assembly hereby honors Colonel Charles H. Greenwood for his dutiful four years of service as Wing Commander of the Indiana Wing of the U.S. Air Force's Auxiliary Civil Air Patrol upon completion of his tenure in the position.

SECTION 2. The Secretary of the Senate shall transmit a copy of this resolution to Colonel Charles H. Greenwood, Ball State University, Major General Antonio J. Pineda, LTC Michael A. Moran, and LTC Ralph Bruns.

SECTION 2. IC 5-10.2-4-7 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 7. (a) Benefits provided under this section are subject to IC 5-10.2-2-1.5.

(b) A member who retires is entitled to receive monthly retirement benefits, which are guaranteed for five (5) years or until the member's death, whichever is later. A member may select in writing any of the following nonconflicting options for the payment of the member's retirement benefits instead of the five (5) year guaranteed retirement benefit payments. The amount of the optional payments shall be determined under rules of the board and shall be the actuarial equivalent of the benefit payable under sections 4, 5, and 6 of this chapter.

(1) Joint and Survivor Option.

(A) The member receives a decreased retirement benefit during the member's lifetime, and there is a benefit payable after the member's death to a designated beneficiary during the lifetime of the beneficiary, which benefit equals, at the option of the member, either the full decreased retirement benefit or two-thirds (2/3) or one-half (1/2) of that benefit.

(B) If the member dies before retirement, the designated beneficiary may receive only the amount credited to the member in the annuity savings account unless the designated beneficiary is entitled to survivor benefits under IC 5-10.2-3.

(C) If the designated beneficiary dies before the member retires, the selection is automatically canceled and the member may make a new beneficiary election and may elect a different form of benefit under this subsection.

(2) Benefit with No Guarantee. The member receives an increased lifetime retirement benefit without the five (5) year guarantee specified in this subsection.

(3) Integration with Social Security. If the member retires before the age of eligibility for Social Security benefits, in order to provide a level benefit during the member's retirement the member receives an increased retirement benefit until the age of Social Security eligibility and decreased retirement benefits after that age.

(4) Cash Refund Annuity. The member receives a lifetime annuity purchasable by the amount credited to the member in the annuity savings account, and the member's designated beneficiary receives a refund payment equal to:

(A) the total amount used in computing the annuity at the retirement date; minus

(B) the total annuity payments paid and due to the member before the member's death.

(c) If:

(1) the designated beneficiary dies while the member is receiving benefits; ~~or~~

(2) the member is receiving benefits, the member marries ~~either for the first time or following the death of the member's spouse~~, after the member's first benefit payment is made, and the member's designated beneficiary is not the member's current spouse or the member has not designated a beneficiary; ~~or~~

(3) the member is receiving benefits, and after July 1, 2006, there is a dissolution of marriage between the member and the designated beneficiary;

the member may elect to change the member's designated beneficiary or form of benefit under subsection (b) and to receive an actuarially adjusted and recalculated benefit for the remainder of the member's life or for the remainder of the member's life and the life of the newly designated beneficiary. The member may not elect to change to a five (5) year guaranteed form of benefit. If the member's new election is the joint and survivor option, the member shall indicate whether the designated beneficiary's benefit shall equal, at the option of the

member, either the member's full recalculated retirement benefit or two-thirds (2/3) or one-half (1/2) of this benefit. The cost of recalculating the benefit shall be borne by the member and shall be included in the actuarial adjustment.

(d) Except as provided in subsection (c), a member who files for regular or disability retirement may not change:

- (1) the member's retirement option under subsection (b);
- (2) the selection of a lump sum payment under section 2 of this chapter; or
- (3) the beneficiary designated on the member's application for benefits if the member selects the joint and survivor option under subsection (b)(1);

after the first day of the month in which benefit payments are scheduled to begin. For purposes of this subsection, it is immaterial whether a benefit check has been sent, received, or negotiated.

(e) A member may direct that the member's retirement benefits be paid to a revocable trust that permits the member unrestricted access to the amounts held in the revocable trust. The member's direction is not an assignment or transfer of benefits under IC 5-10.3-8-10 or IC 21-6.1-5-17."

(c) For each city and county receiving money under subsection (a)(2), the treasurer of state shall determine the total amount of money paid by the treasurer of state to the city or county during the state fiscal year 2002. The amount determined is the base year revenue for the city or county. The treasurer of state shall certify the base year revenue determined under this subsection to the city or county. The total amount of money distributed to a city or county under this section during a state fiscal year may not exceed the entity's base year revenue. For each state fiscal year, the treasurer of state shall pay that part of the riverboat wagering taxes that:

- (1) exceeds a particular city's or county's base year revenue; and
- (2) would otherwise be due to the city or county under this section;

to the property tax replacement fund instead of to the city or county.

(d) Each state fiscal year the treasurer of state shall transfer from the tax revenue remitted to the property tax replacement fund under subsection (a)(3) to the build Indiana fund an amount that when added to the following may not exceed two hundred fifty million dollars (\$250,000,000):

If in any state fiscal year insufficient money is transferred to the property tax replacement fund under subsection (a)(3) to comply with this subsection, the treasurer of state shall reduce the amount transferred to the build Indiana fund to the amount available in the property tax replacement fund from the transfers under subsection (a)(3) for the state fiscal year.

(e) Before August 15 of each year, the treasurer of state shall distribute the wagering taxes set aside for revenue sharing under subsection (a)(1) to the county treasurer of each county that does not have a riverboat according to the ratio that the county's population bears to the total population of the counties that do not have a riverboat. Except as provided in subsection (h), the county auditor shall distribute the money received by the county under this subsection as follows:

- (1) To each city located in the county according to the ratio the city's population bears to the total population of the county.

- (3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be retained by the county.

(f) Money received by a city, town, or county under subsection (e) or (h) may be used for any of the following purposes:

(g) This subsection does not apply to an entity receiving money under IC 4-33-12-6(c). Before September 15 of each year, the treasurer of state shall determine the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state

fiscal year. If the treasurer of state determines that the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year was less than the entity's base year revenue (as determined under IC 4-33-12-6), the treasurer of state shall make a supplemental distribution to the entity from taxes collected under this chapter and deposited into the property tax replacement fund. The amount of the supplemental distribution is equal to:

- (1) the entity's base year revenue (as determined under IC 4-33-12-6); minus
- (2) the sum of:
 - (A) the total amount of money distributed to the entity during the preceding state fiscal year under IC 4-33-12-6; plus
 - (B) any amounts deducted under IC 6-3.1-20-7.

(h) This subsection applies only to a county containing a consolidated city. The county auditor shall distribute the money received by the county under subsection (e) as follows:

- (2) To each town located in the county according to the ratio that the town's population bears to the total population of the county.
- (3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be paid in equal amounts to the consolidated city and the county.

"SECTION 53. IC 8-1-29.5 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]:

Chapter 29.5. Enforcement Remedies for Prohibited Actions by Telecommunications Service Providers and Video Service Providers

Sec. 1. This chapter applies to a provider and a certificate

holder.

Sec. 2. Except as otherwise provided, the definitions in IC 8-1-2.6 apply throughout this chapter.

Sec. 3. As used in this chapter, "certificate holder" refers to a person holding a certificate of franchise authority issued under IC 8-1-34-17.

Sec. 4. As used in this chapter, "commission" refers to the Indiana utility regulatory commission created by IC 8-1-1-2.

Sec. 5. As used in this chapter, "customer", with respect to a provider, refers to any of the following:

- (1) A residential customer.
- (2) A business customer.
- (3) Another provider that obtains retail or wholesale services from the provider.

Sec. 6. (a) If:

- (1) one (1) or more customers of a provider or a certificate holder;
- (2) another provider;
- (3) the utility consumer counselor; or
- (4) any class satisfying the standing requirements of IC 8-1-2-54;

files a complaint with the commission alleging that a service over which the commission has jurisdiction that is provided by a provider or a certificate holder is unreasonable, unsafe, insufficient, or unjustly discriminatory, or that any service is inadequate or can not be obtained, the commission may investigate the complaint as the commission considers appropriate. The commission shall conduct an investigation under this section on an expedited basis, and a complaint filed by another provider under this section that alleges a violation of an interconnection agreement or order is subject to the commission's expedited procedures under 170 IAC 7-7.

(b) If, after notice and an opportunity for hearing, the commission determines from an investigation conducted under subsection (a) that a provider or a certificate holder has violated a provision of this chapter or a lawful order of the commission, the commission may do any of the following:

- (1) Issue an order directing the provider or the certificate holder to cease and desist from the violation.
- (2) Mandate corrective action to alleviate the violation.
- (3) Revoke or modify the terms of:
 - (A) an indeterminate permit;
 - (B) a certificate of territorial authority;
 - (C) a certificate of franchise authority issued under IC 8-1-34; or
 - (D) another license or authorization;

issued to the provider or the certificate holder by the commission.

- (4) Impose a civil penalty of not more than ten thousand dollars (\$10,000) per violation, if the violation involves any of the following:

(A) A willful disregard, as evidenced by a continuing pattern of conduct, by the provider or the certificate holder of its obligation to remedy the violation after the provider or the certificate holder becomes aware of the violation.

(B) Repeated errors in bills issued to one (1) or more customer classes, if the errors:

- (i) represent intentional misconduct or an act of fraud by the provider or the certificate holder or by any officer, accountant, or agent of the provider or certificate holder; or
- (ii) demonstrate, by a continuing pattern of conduct, a willful disregard by the provider or the certificate holder of its obligation to remedy the errors after the provider or the certificate holder becomes aware of the errors.

Subject to section 7(a)(1) of this chapter, for purposes of this subdivision, a single act, omission, occurrence, or event that results in multiple complaints being filed under subsection (a) constitutes a single violation and is not subject to more than one (1) civil penalty. The commission may not consider each day that a particular violation continues to be a separate violation.

(c) A matter resolved through voluntary mediation is not considered a violation for purposes of this section.

(d) A provider or a certificate holder may not be subject to both:

- (1) a civil penalty or an order of the commission under this section; and
- (2) a penalty or remedy agreed to in a commission approved settlement agreement;

for the same violation. If the commission has approved a settlement agreement under IC 8-1-2.6 that includes penalties or remedies for noncompliance with specific provisions of the settlement agreement, the penalties or remedies provided in this section do not apply to those instances of noncompliance during the life of the settlement agreement.

(e) The attorney general may bring an action in the name of the state to enforce any action taken by the commission under subsection (b), including the collection of an unpaid civil penalty imposed by the commission.

(f) The following are subject to appeal by a provider under IC 8-1-3:

- (1) A determination by the commission under this section that a provider or a certificate holder has violated a provision of this chapter or a lawful order of the commission.
- (2) The appropriateness of any action taken by the commission under subsection (b)(1) through (b)(3).
- (3) The appropriateness of:
 - (A) the imposition of a civil penalty by the commission under subsection (b)(4); or
 - (B) the amount of the penalty imposed.

Upon the motion of a provider or a certificate holder, the commission shall stay the effect or enforceability of an order or penalty under this section pending an appeal, subject to the provider or the certificate holder posting a bond that complies with Rule 18 of the Indiana Rules of Appellate Procedure.

Sec. 7. (a) In imposing a civil penalty under section 6(b)(4) of this chapter, the commission may consider the following factors:

- (1) The duration and gravity of the violation, including the number of customers affected.
- (2) The presence or absence of due diligence on the part of the violating provider or certificate holder to comply with or secure relief from a provision of this article or a lawful order of the commission.
- (3) Economic benefits accrued by the violating provider or certificate holder because of the delay in complying with a provision of this article or a lawful order of the commission.
- (4) The amount of a civil penalty that will:

- (A) deter future violations by the violating provider or certificate holder; and
- (B) enhance voluntary compliance with a provision of this article or a lawful order of the commission.

(5) The market share of the violating provider or certificate holder in the affected service areas.

(6) Good faith of the violating provider or certificate holder in attempting to remedy the violation or to achieve compliance after receiving notification of the violation.

(b) If the commission waives a civil penalty for a violation involving any act or omission described in section 6(b)(4) of this chapter, the commission must make a written finding as to why it is waiving the civil penalty. The commission may waive a civil penalty under section 6(b)(4) of this chapter if the commission finds that the violation is the result of any of the following:

- (1) The technological infeasibility of:
 - (A) complying with the requirements of a provision of this article or a lawful order of the commission; or
 - (B) remedying a violation of a provision of this article or a lawful order of the commission.
- (2) An act of God.
- (3) A defect in, or prohibited use of, customer provided equipment.
- (4) A negligent act of a customer.
- (5) An emergency situation.
- (6) Unavoidable casualty.

(c) The secretary of the commission shall direct a civil penalty

imposed and collected under section 6(b)(4) of this chapter as follows:

(1) A civil penalty imposed for a violation that directly affects retail customers must be refunded directly to the customers of the violating provider or certificate holder in the form of credits on customer bills.

(2) A civil penalty imposed for a violation not described in subdivision (1) must be deposited into an account designated by the Indiana finance authority for use by the authority in making loans or grants to broadband developers and operators under the Indiana broadband development program established by IC 8-1-33-15."

"SECTION 2. IC 6-1.1-18.5-12 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 12. (a) Any civil taxing unit that determines that it cannot carry out its governmental functions for an ensuing calendar year under the levy limitations imposed by section 3 of this chapter may:

(1) before September 20 of the calendar year immediately preceding the ensuing calendar year; or

(2) in the case of a request described in section 16 of this chapter, before:

(A) December 31 of the calendar year immediately preceding the ensuing calendar year; or

(B) with the approval of the county fiscal body of the county in which the civil taxing unit is located, March 1 of the ensuing calendar year;

appeal to the department of local government finance for relief from those levy limitations. In the appeal the civil taxing unit must state that it will be unable to carry out the governmental functions committed to it by law unless it is given the authority that it is petitioning for. The civil taxing unit must support these allegations by reasonably detailed statements of fact.

(b) The department of local government finance shall promptly deliver to the local government tax control board every appeal petition it receives under subsection (a) and any materials it receives relevant to those appeals. Upon receipt of an appeal petition, the local government tax control board shall immediately proceed to the examination and consideration of the merits of the civil taxing unit's appeal.

(c) In considering an appeal, the local government tax control board has the power to conduct hearings, require any officer or member of the appealing civil taxing unit to appear before it, or require any officer or member of the appealing civil taxing unit to provide the board with any relevant records or books.

(d) If an officer or member:

(1) fails to appear at a hearing of the local government tax control board after having been given written notice from the local government tax control board requiring ~~his~~ **that person's** attendance; or

(2) fails to produce for the local government tax control board's use the books and records that the local government tax control board by written notice required the officer or member to produce;

then the local government tax control board may file an affidavit in the circuit court in the jurisdiction in which the officer or member may be found setting forth the facts of the failure.

(e) Upon the filing of an affidavit under subsection (d), the circuit court shall promptly issue a summons, and the sheriff of the county within which the circuit court is sitting shall serve the summons. The summons must command the officer or member to appear before the local government tax control board, to provide information to the

local government tax control board, or to produce books and records for the local government tax control board's use, as the case may be. Disobedience of the summons constitutes, and is punishable as, a contempt of the circuit court that issued the summons.

(f) All expenses incident to the filing of an affidavit under subsection (d) and the issuance and service of a summons shall be charged to the officer or member against whom the summons is issued, unless the circuit court finds that the officer or member was acting in good faith and with reasonable cause. If the circuit court finds that the officer or member was acting in good faith and with reasonable cause or if an affidavit is filed and no summons is issued, the expenses shall be charged against the county in which the affidavit was filed and shall be allowed by the proper fiscal officers of that county.

(g) The fiscal officer of a civil taxing unit that appeals under section 16 of this chapter for relief from levy limitations shall immediately file a copy of the appeal petition with the county auditor and the county treasurer of the county in which the unit is located.

SECTION 3. IC 6-1.1-19-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2. (a) A county board of tax adjustment may not approve or recommend the approval of an excessive tax levy.

(b) If a school corporation adopts or advertises an excessive tax levy, the county board of tax adjustment which reviews the school corporation's budget, tax levy, and tax rate shall reduce the excessive tax levy to the maximum normal tax levy.

(c) If a county board of tax adjustment approves, or recommends the approval of, an excessive tax levy for a school corporation, the auditor of the county for which the county board is acting shall reduce the excessive tax levy to the maximum normal tax levy. Such a reduction shall be set out in the notice required to be published by the auditor under IC 6-1.1-17-12, and an appeal shall be permitted therefrom as provided under IC 6-1.1-17 as modified by this chapter.

(d) Appeals from any action of a county board of tax adjustment or county auditor in respect of a school corporation's budget, tax levy, or tax rate may be taken as provided for by IC 6-1.1-17. Notwithstanding IC 6-1.1-17, a school corporation may appeal to the department of local government finance for emergency financial relief for the ensuing calendar year at any time before:

(1) September 20 of the calendar year immediately preceding the ensuing calendar year; or

(2) in the case of a request described in section 4.7(a) of this chapter:

(A) December 31 of the calendar year immediately preceding the ensuing calendar year; or

(B) with the approval of the county fiscal body of the county in which the school corporation is located, March 1 of the ensuing calendar year.

(e) In the appeal petition in which a school corporation seeks emergency financial relief, the appellant school corporation shall allege that, unless it is given the emergency financial relief for which it petitions, it will be unable to carry out, in the ensuing calendar year, the public educational duty committed to it by law, and it shall support that allegation by reasonably detailed statements of fact.

(f) When an appeal petition in which a school corporation petitions for emergency financial relief is filed with the department of local government finance, the department shall include, in the notice of the hearing in respect of the petition that it is required to give under IC 6-1.1-17-16, a statement to the effect that the appellant school corporation is seeking emergency financial relief for the ensuing calendar year. A subsequent action taken by the department of local government finance in respect of such an appeal petition is not invalid, however, or otherwise affected, if the department fails to include such a statement in the hearing notice.

(g) The fiscal officer of a school corporation that appeals under section 4.7(a) of this chapter for relief from levy limitations under this chapter shall immediately file a copy of the appeal petition with the county auditor and the county treasurer of the county in which the unit is located.

"SECTION 63. IC 6-1.1-47 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]:

Chapter 47. Historic Rehabilitation Property Tax Credit

Sec. 1. The definitions in IC 6-3.1-16 and IC 6-3.1-22 apply throughout this section.

Sec. 2. (a) A county fiscal body may adopt an ordinance to authorize the application of the credit under this chapter against an owner's property tax liability that is attributable to increases in assessed valuation of the owner's historic property resulting from the rehabilitation of the historic property.

(b) An ordinance adopted under this section must specify the first assessment date for which an increase in the assessed valuation of an historic property resulting from rehabilitation becomes eligible for a credit under this chapter.

Sec. 3. An ordinance adopted under section 2 of this chapter authorizes the credit for:

(1) the first calendar year that the owner's property tax liability is determined using an increase in the historic property's assessed valuation resulting from the rehabilitation of the historic property; and

(2) the four (4) succeeding calendar years during the five (5) year period referred to in section 5 of this chapter.

Sec. 4. Subject to section 11 of this chapter and IC 6-1.1-12-25, if:

(1) the assessed valuation of historic property is increased:

(A) as a result of rehabilitation; and

(B) as of an assessment date to which an ordinance adopted under section 2 of this chapter applies; and

(2) the owner is eligible for a historic rehabilitation credit under IC 6-3.1-16 or IC 6-3.1-22 against the owner's state tax liability based on the rehabilitation;

the owner is entitled to a credit against the owner's property tax liability attributable to the property. The amount of the credit to which the owner is entitled is determined under section 5 of this chapter.

Sec. 5. (a) Subject to subsection (b), the amount of the credit equals one hundred percent (100%) of the owner's property tax liability that is attributable to the increase in assessed valuation resulting from the rehabilitation. The owner is entitled to this credit annually for a five (5) year period. The first year of that period is the first year that the rehabilitation results in an increase in the owner's property tax liability attributable to the historic property. If the rehabilitation results in increases in the property tax liability attributable to the historic property in more than one (1) year, each annual increase may qualify separately for the credit.

(b) If:

(1) a general reassessment of real property under IC 6-1.1-4-4 or an adjustment under IC 6-1.1-4-4.5 occurs within the period of the credit; or

(2) an appeal of an assessment is approved that results in a change in the assessed valuation of the historic property;

the amount of the credit shall be adjusted to reflect the resulting percentage increase or decrease in the assessed valuation of the historic property and its corresponding effect on the property tax liability attributable to the historic property.

Sec. 6. The credit reduces the amount of historic rehabilitation credit to which the owner is entitled under IC 6-3.1-16-7 or IC 6-3.1-22-8.

Sec. 7. A property owner who desires to obtain the credit must file a certified credit application, on forms prescribed by the department of local government finance, with the auditor of the county in which the property is located. The application may be filed in person or by mail. If mailed, the mailing must be postmarked on or before the last day for filing. The statement must be filed during the twelve (12) months before August 1 of the year prior to the first year for which the person wishes to obtain the credit for the historic property.

Sec. 8. The application required by section 7 of this chapter must contain the following information:

(1) The name of the property owner.

(2) A description of the property for which a credit is claimed in sufficient detail to afford identification.

(3) The certifications required:

(A) under IC 6-3.1-16-8 to obtain the credit under IC 6-3.1-16; or

(B) under IC 6-3.1-22-9 to obtain the credit under IC 6-3.1-22.

(4) A description of the rehabilitation of the historic property.

(5) Evidence of the cost of the rehabilitation of the historic property.

(6) The assessed valuation of the improvements on the historic property before the rehabilitation.

(7) The increase in the assessed valuation of improvements resulting from the rehabilitation.

Sec. 9. A credit application filed under section 7 of this chapter applies for the entire period described in section 5 of this chapter for which the owner is entitled to a credit under this chapter without a requirement for any additional application.

Sec. 10. On verification of the correctness of an application under section 7 of this chapter by the assessor of the township in which the property is located, the county auditor shall make the credit in the amount determined under section 5 of this chapter.

Sec. 11. If the conditions for the recapture of a credit under IC 6-3.1-16-12 or IC 6-3.1-22-13 are met, the property owner shall pay to the county treasurer for each year the credit was in effect the amount of additional property taxes for which the property owner would have been liable if the credit had not been in effect. The county treasurer shall distribute money paid under this section proportionately to the general fund of each taxing unit in which the property that was subject to the credit is located based on the property tax rates of the units.

Sec. 12. The department of local government finance may adopt rules under IC 4-22-2 to implement this section."

RUPPEL

Upon request of Representatives Fry and Dobis, the Speaker ordered the roll of the House to be called. Roll Call 225: yeas 40, nays 54. Motion failed. The bill was ordered engrossed.

RESOLUTIONS ON FIRST READING

House Concurrent Resolution 49

Representative Buell introduced House Concurrent Resolution 49:

A CONCURRENT RESOLUTION urging the legislative council to direct the pension management oversight commission to study the factors used to compute public employees' pensions.

Whereas, The legislature established the pension management oversight commission to serve as the watchdog of the funding and adequacy of public pensions;

Whereas, Under IC 2-5-12-2, the pension management oversight commission is charged with determining what constitutes adequate wage replacement levels at retirement (including benefits from public retirement funds and Social Security) for public employees;

Whereas, According to a December 2005 Wisconsin Legislative Council study, Indiana's PERF and TRF benefit multiplier is the lowest among all 85 plans surveyed; and

Whereas, The General Assembly would like the pension management oversight commission to analyze the comparative retirement benefits programs of Indiana and other state programs: Therefore,

Be it resolved by the House of Representatives of the General Assembly of the State of Indiana, the Senate concurring:

SECTION 1. That the legislative council is urged to direct the pension management oversight commission to study the factors used to compute public employees' pensions.

The resolution was read a first time and referred to the Committee on Rules and Legislative Procedures.

House Resolution 23

Representatives J. Lutz and Crooks introduced House Resolution 23:

A HOUSE RESOLUTION urging the legislative council to assign the issue of renewable energy development to the regulatory flexibility committee.

Whereas, Expanding the generation and use of renewable energy resources in Indiana has the potential to stimulate investment, boost income for farmers and other landowners, and create high paying manufacturing and service sector jobs;

Whereas, The use of renewable energy resources may serve as a hedge against high natural gas prices;

Whereas, The generation and use of renewable energy resources in Indiana will improve air quality and water quality, reduce the impact of energy production on Indiana's finite water resources, and improve public health and other aspects of the environment; and

Whereas, The generation and use of renewable energy resources in Indiana will enhance Indiana's energy security and independence by diversifying the sources of fuel used to generate electricity for Indiana customers: Therefore,

Be it resolved by the House of Representatives of the General Assembly of the State of Indiana:

SECTION 1. That the legislative council is urged to assign the issue of renewable energy development to the regulatory flexibility committee.

SECTION 2. That, if so ordered, the regulatory flexibility committee shall study the following:

(1) The potential for various renewable energy resources to be used as a fuel source, or to generate electricity, in a manner that is economically and environmentally sound, taking into consideration:

(A) Indiana's natural resources, geographic location, land availability, climate, and topography;

(B) the potential market, both inside and outside Indiana, for any electricity or products produced in connection with a particular renewable energy resource project; and

(C) any other factors the regulatory flexibility committee considers relevant in evaluating the economic and

environmental soundness of a particular renewable energy resource or project.

The committee may study a variety of renewable energy resources, including dedicated crops grown for energy production, organic waste biomass, landfill gases, hydropower, solar photovoltaic cells and panels, fuel cells, wind power, or other similar resources.

(2) Whether to recommend legislation to:

(A) require electricity suppliers to supply a certain percentage of their total electricity supply from renewable energy resources;

(B) provide tax credits or other incentives to encourage investment in the development or expansion of renewable energy resource projects in Indiana; or

(C) provide other requirements or incentives with respect to the generation and use of renewable energy resources in Indiana.

SECTION 3. That the regulatory flexibility committee shall report its findings to the legislative council as directed to do so by the council.

The resolution was read a first time and referred to the Committee on Rules and Legislative Procedures.

House Resolution 24

Representatives Dvorak, Bauer, and Kromkowski introduced House Resolution 24:

A HOUSE RESOLUTION memorializing M. E. "Hank" Denning.

Whereas, M. E. "Hank" Denning died on December 24, 2005, at the age of 78;

Whereas, Mr. Denning was born on the family farm in Jonesville, Michigan, and graduated from Jonesville High School;

Whereas, Upon graduation, Mr. Denning enlisted in the United States Army, served in World War II, and was later recalled to active duty to serve in the Korean War; he was discharged in November 1951;

Whereas, Mr. Denning attended Tri-State College in Angola, Indiana, graduating in three years;

Whereas, On December 29, 1951, he married Margie Anglin of Grand Rapids, Michigan;

Whereas, Mr. and Mrs. Denning moved to South Bend, Indiana, in 1958 when he took a position as a mechanical engineer with the Bendix Corporation, a position he held for 25 years;

Whereas, During their retirement, Mr. and Mrs. Denning traveled to Ireland, England, Scotland, and Russia and wintered in LaBelle, Florida; and

Whereas, The death of M. E. "Hank" Denning has left his family with a large void that can never be completely filled, but they can take comfort knowing that Mr. Denning enjoyed life to the fullest and was truly dedicated to his loving family: Therefore,

Be it resolved by the House of Representatives of the General Assembly of the State of Indiana:

SECTION 1. That the Indiana House of Representatives wishes to express its deepest sympathy to the family of M. E. "Hank" Denning in their time of grief.

SECTION 2. That the Principal Clerk of the House of Representatives shall transmit a copy of this resolution to Mr. Denning's wife, Margie, and children, Suzanne, Scott, Laurie, and Julie.

The resolution was read a first time and adopted by voice vote.

House Resolution 25

Representatives Welch, C. Bottorff, C. Brown, T. Brown, Budak, Dickinson, Grubb, L. Lawson, and Mays introduced House Resolution 25:

A HOUSE RESOLUTION recognizing and supporting Comprehensive Cancer Control and the Indiana Cancer Consortium.

Whereas, Cancer is the second leading cause of death for adults in Indiana;

Whereas, Cancer is the second leading cause of death for children between ages 5 and 14;

Whereas, About 13,000 Hoosiers—nearly 36 people per day or almost two people every hour—will die of the disease annually;

Whereas, Approximately 2.5 million Hoosiers, two in five, now living will eventually develop cancer;

Whereas, Nearly 31,200 Indiana residents are diagnosed with cancer each year;

Whereas, Indiana's incidence rate for cancer is 451.4 per 100,000;

Whereas, Indiana's 213.7 per 100,000 cancer mortality rate is 5 percent higher than the national average;

Whereas, In 2004, the overall cost of cancer in the United States was \$189.8 billion, \$69.4 billion for direct medical costs, \$16.9 billion for lost worker productivity due to illness, and \$103.5 billion for lost worker productivity because of premature death;

Whereas, The significant growth of cancer prevention and control programs within health agencies has resulted in the recognition that improved coordination of cancer control activities is essential to maximize resources and reduce the cancer burden in Indiana;

Whereas, Comprehensive cancer control (CCC) results in many benefits, including increased efficiency for delivering public health messages and services to the public;

Whereas, Cancer plans are the stepping stones for advancing comprehensive cancer control programs;

Whereas, The Indiana Cancer Consortium (ICC) is a statewide network of public and private partnerships whose mission is to reduce the cancer burden in Indiana through the development, implementation, and evaluation of a comprehensive cancer control plan that addresses cancer across the continuum from prevention through palliation;

Whereas, The ICC is an association of diverse organizations representing health care providers and delivery systems, cancer programs, health insurance plans, employers, public health agencies, professional organizations, minority groups, health profession schools, advocacy groups, research institutions, and wellness organizations;

Whereas, The ICC maintains close working relationships with the Indiana State Department of Health and the State Health Commissioner; and

Whereas, The ICC, in collaboration with the Indiana State Department of Health, has developed the Indiana Cancer Control Plan 2005-2008, which provides a framework for action in reducing cancer incidence, morbidity, and mortality in Indiana by providing statewide coordination of public and private cancer control efforts that are ongoing or needed within the state: Therefore,

Be it resolved by the House of Representatives of the General Assembly of the State of Indiana:

SECTION 1. That the Indiana House of Representatives wishes to recognize, support, and promote Comprehensive Cancer Control and the Indiana Cancer Consortium in its statewide efforts to reduce the burden of cancer on the population of the state of Indiana.

SECTION 2. That the Principal Clerk of the House of Representatives shall transmit a copy of this resolution to Governor Mitch Daniels, Victoria Champion, DNS, Indiana Cancer Consortium Co-Chair, and Stephen D. Williams, MD, Indiana Cancer Consortium Steering Committee Chair.

The resolution was read a first time and adopted by voice vote.

Senate Concurrent Resolution 20

The Speaker handed down Senate Concurrent Resolution 20, sponsored by Representatives Yount, Burton, Messer, and Koch:

A CONCURRENT RESOLUTION to congratulate Tony Stewart on winning the 2005 NASCAR Nextel Cup Series Championship.

Whereas, Columbus, Indiana native Tony Stewart has a reputation as a fierce competitor driving the #20 Home Depot car in the NASCAR racing series;

Whereas, Tony scored his first victory of the season on June 26 in Sonoma, California at the Dodge/Save Mart 350;

Whereas, In his most dominating performance of the year, Stewart led all but nine laps of the Pepsi 400 to score his second-straight win. Starting from the pole, he lost the lead only briefly after pit stops, breaking the record of 142 laps led in a race set by Cale Yarborough in 1968;

Whereas, From this point on, the Home Depot team seemed to have all the answers and Stewart finished ninth or better in 19 of the final 22 races;

Whereas, Despite great success throughout his NASCAR career, Stewart had never won in front of the hometown crowd at the Indianapolis Motor Speedway. In a career-defining moment, Stewart won the Allstate 400 at the Brickyard, a win that propelled him into first place in the 2005 standings, where he remained for 13 of the final 14 weeks;

Whereas, In Nextel Cup racing, following the 26th race of the season, all drivers in the NASCAR Top 10 and any other drivers within 400 points of the leader earn a berth in the "Chase for the Championship";

Whereas, Stewart was on top at the start of the 10-race Chase for the Championship and fell off the leader board just once, when he dropped to fifth after Round 2;

Whereas, A conservative approach in the season-ending Ford 400 netted a modest 15th place finish and secured the 2005 championship for Stewart, marking his second career NASCAR season championship;

Whereas, As a two-time winner, Tony Stewart became a member of a select group of only 14 NASCAR drivers who have won at least two season championships;

Whereas, Tony Stewart's hometown of Columbus held a parade to congratulate him on winning the NASCAR series championship and also honored him by declaring December 17th "Tony Stewart Day"; and

Whereas, From the beginning of his career more than a quarter century ago and continuing to his present role as driver of the #20 Home Depot Chevrolet in the NASCAR NEXTEL Cup Series, Tony Stewart has proven to be a champion every step of the way: Therefore,

*Be it resolved by the Senate
of the General Assembly of the State of Indiana,
the House of Representatives concurring:*

SECTION 1. That the Indiana General Assembly recognizes Tony Stewart for his exemplary driving record in the NASCAR Nextel Cup Series Championship and congratulates him on winning his second NASCAR series championship.

SECTION 2. The Secretary of the Senate is hereby directed to transmit a copy of this resolution to Tony Stewart, his team, and his family.

The resolution was read a first time and adopted by voice vote. The Clerk was directed to inform the Senate of the passage of the resolution.

REPORTS FROM COMMITTEES

COMMITTEE REPORT

Mr. Speaker: Your Committee on Government and Regulatory Reform, to which was referred Engrossed Senate Bill 1, has had the same under consideration and begs leave to report the same back to the House with the recommendation that said bill be amended as follows:

Page 1, delete lines 1 through 15, begin a new paragraph and insert:

"SECTION 1. IC 6-1.1-18.5-21 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: **Sec. 21. (a) The ad valorem property tax levy limits imposed by this chapter do not apply to ad valorem property taxes imposed by the consolidated fire department taxing district established in IC 36-3-1-6.4 to pay or fund the following:**

(1) Any indebtedness of a township or an excluded city assumed, defeased, paid, or refunded by the consolidated city under IC 36-3-1-6.1 or IC 36-3-1-6.3.

(2) Any indebtedness issued by the consolidated city, after the consolidated fire department is established, to pay for fire protection services, emergency services, or equipment, buildings, or land related to fire protection services or emergency medical services.

SECTION 2. IC 6-3.5-6-18.5, AS AMENDED BY P.L.234-2005, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 18.5. (a) This section applies to a county containing a consolidated city.

(b) Notwithstanding section 18(e) of this chapter, the distributive shares that each civil taxing unit in a county containing a consolidated city is entitled to receive during a month equals the following:

(1) For the calendar year beginning January 1, 1995, calculate the total amount of revenues that are to be distributed as distributive shares during that month multiplied by the following factor:

Center Township	.0251
Decatur Township	.00217
Franklin Township	.0023
Lawrence Township	.01177
Perry Township	.01130
Pike Township	.01865
Warren Township	.01359
Washington Township	.01346
Wayne Township	.01307
Lawrence-City	.00858
Beech Grove	.00845
Southport	.00025
Speedway	.00722
Indianapolis/Marion County	.86409

(2) Notwithstanding subdivision (1), for the calendar year beginning January 1, 1995, the distributive shares for each civil taxing unit in a county containing a consolidated city shall be not less than the following:

Center Township	\$1,898,145
Decatur Township	\$164,103
Franklin Township	\$173,934
Lawrence Township	\$890,086
Perry Township	\$854,544
Pike Township	\$1,410,375
Warren Township	\$1,027,721
Washington Township	\$1,017,890
Wayne Township	\$988,397
Lawrence-City	\$648,848
Beech Grove	\$639,017
Southport	\$18,906
Speedway	\$546,000

(3) For each year after 1995, calculate the total amount of revenues that are to be distributed as distributive shares during that month as follows:

STEP ONE: Determine the total amount of revenues that were distributed as distributive shares during that month in calendar year 1995.

STEP TWO: Determine the total amount of revenue that the department has certified as distributive shares for that month under section 17 of this chapter for the calendar year.

STEP THREE: Subtract the STEP ONE result from the STEP TWO result.

STEP FOUR: If the STEP THREE result is less than or equal to zero (0), multiply the STEP TWO result by the ratio established under subdivision (1).

STEP FIVE: Determine the ratio of:

(A) the maximum permissible property tax levy under IC 6-1.1-18.5, IC 12-19-7, and IC 12-19-7.5 for each civil taxing unit for the calendar year in which the month falls, plus, for a county, an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund; divided by

(B) the sum of the maximum permissible property tax levies under IC 6-1.1-18.5, IC 12-19-7, and IC 12-19-7.5 for all civil taxing units of the county during the calendar year in which the month falls, and an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund.

STEP SIX: If the STEP THREE result is greater than zero (0), the STEP ONE amount shall be distributed by multiplying the STEP ONE amount by the ratio established under subdivision (1).

STEP SEVEN: For each taxing unit determine the STEP FIVE ratio multiplied by the STEP TWO amount.

STEP EIGHT: For each civil taxing unit determine the difference between the STEP SEVEN amount minus the product of the STEP ONE amount multiplied by the ratio established under subdivision (1). The STEP THREE excess shall be distributed as provided in STEP NINE only to the civil taxing units that have a STEP EIGHT difference greater than or equal to zero (0).

STEP NINE: For the civil taxing units qualifying for a distribution under STEP EIGHT, each civil taxing unit's share equals the STEP THREE excess multiplied by the ratio of:

(A) the maximum permissible property tax levy under IC 6-1.1-18.5, IC 12-19-7, and IC 12-19-7.5 for the qualifying civil taxing unit during the calendar year in which the month falls, plus, for a county, an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund; divided by

(B) the sum of the maximum permissible property tax levies under IC 6-1.1-18.5, IC 12-19-7, and IC 12-19-7.5 for all qualifying civil taxing units of the county during the calendar year in which the month falls, and an amount equal to the property taxes imposed by the county in 1999

for the county's welfare fund and welfare administration fund.

"SECTION 63. IC 25-22.5-12 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]:

Chapter 12. Residency Pilot Program for Qualified International Medical School Graduates

Sec. 1. As used in this chapter, "graduate" means a qualified international medical school graduate.

Sec. 2. As used in this chapter, "resident" means a graduate who has been accepted in the residency pilot program under this chapter.

Sec. 3. The board shall work with primary care residency programs, limited to family medicine, pediatrics, and internal medicine residency programs, to develop a pilot program for a period of seven (7) academic years to better identify, evaluate, and prepare qualified graduates for future practice in Indiana.

Sec. 4. The board shall allow family medicine, pediatrics, and internal medicine residency programs in Indiana that elect to participate in the residency pilot program to accept graduates from medical schools that:

- (1) are not on the board's list of approved medical schools; and
- (2) are not on the list of schools disapproved for postgraduate medical education training.

Sec. 5. The board shall develop an application process for each approved residency program's participation in the residency pilot.

Sec. 6. The list of disapproved medical schools must be updated by August 1 of each year to the best ability of the board to exclude any medical schools that are not known to be qualified educational institutions.

Sec. 7. The program director of a residency program that wants to participate in the residency program shall submit a letter to the board requesting that the accepted residency candidate receive a temporary permit for residency training. A representative of the residency pilot program must appear with the candidate for a hearing of the board.

Sec. 8. A temporary permit to participate in residency training may be:

- (1) issued to a graduate for one (1) year; and
- (2) renewed for two (2) additional one (1) year periods;

until completion of the residency program. The board may require the graduate to appear before the board.

Sec. 9. A candidate for the residency program must be certified by the Education Commission for Foreign Medical Graduates (ECFMG) to participate in the residency pilot program.

Sec. 10. The director of a participating residency pilot program shall submit a written progress report to the board within three (3) months after the beginning of training of a resident to verify that the resident is providing the quality of medical care to patients expected at the level of medical experience and training of the resident.

Sec. 11. The residency program director shall promptly inform the board in writing if a pilot program resident is:

- (1) dismissed for failure to meet the professional expectations of the residency program; or
- (2) incapable of competent medical practice.

Sec. 12. The residency program director shall submit a report concerning the progress of each resident to the board at the completion of the first and second years of the resident's training recommending renewal of the temporary medical permit for one (1) additional year if the resident's performance is satisfactory.

Sec. 13. Upon the resident's completion of the three (3) year training program, the residency program director may be required to appear before the board to:

- (1) verify the competency of the resident; and
- (2) recommend that the candidate be issued a license to enable the candidate to practice medicine in Indiana.

If the resident was granted a temporary permit under the residency pilot program, a graduate participating in the program may not be issued a permanent license until the graduate completes the three (3) years of pilot program residency training and completes two (2) years of practice in Indiana to complete the pilot program requirements. The type of license the graduating resident obtains for the two (2) years of practice after residency shall be determined by the board. The board may defer the practice requirement if the resident requests a delay to participate in an Accreditation Council on Graduate Medical

Education (ACGME) accredited fellowship program that enhances the practice of primary care. The candidate must appear before the board for permanent license approval. Failure to complete the residency pilot program for reasons including:

- (1) negligence;
- (2) incompetency; or
- (3) issues of professionalism;

is an adverse event reportable to medical licensing boards in other states. Issues not related to performance are not reportable events.

Sec. 14. International medical school graduates who have successfully completed the residency pilot program and have met all requirements of this chapter:

- (1) shall be given equal standing for licensure with other international medical school graduates who have graduated from approved medical schools; and
- (2) must meet all other licensure requirements under IC 25-22.5-3-1.

Sec. 15. The board shall collect information and data during the residency pilot program concerning the:

- (1) successes of;
- (2) failures of;
- (3) difficulties encountered in; and
- (4) number of residents involved in, entering, and graduating from;

the program.

The information must include data based on the six (6) required ACGME competencies used to evaluate all residents.

Sec. 16. There may not be more than two (2) graduates allowed under this pilot program for each approved primary care residency program.

Sec. 17. This chapter expires December 31, 2013."

(f) The state may pay part of the cost of self-insurance or prepaid health care delivery plans for its employees.

(g) A state agency may not provide any insurance benefits to its employees that are not generally available to other state employees, unless specifically authorized by law.

(h) The state may pay a part of the cost of group medical and life coverage for its employees.

(c) This subsection applies to a member who elects under subsection (b) to receive a distribution. The member is entitled to receive a distribution that is equal to the present value, as determined by the board on the member's separation date, of the pension portion of the monthly retirement benefit computed as if the member had been:

- (1) eligible for normal retirement; and**

(d) To the extent permitted by the Internal Revenue Code, the distribution under subsection (c) must be made directly to any of the following designated by the terminating employee:

(f) The board of trustees of the public employees' retirement fund may adopt reasonable procedures and standards to implement this section.

(g) This section applies only if the public employees' retirement fund has received from the Internal Revenue Service any approvals or rulings that the board of trustees of the public employees' retirement fund considers necessary or appropriate."

the amount to be distributed for tuition support under this chapter to each school corporation during each of the last six (6) months of the year shall be proportionately reduced so that the total reductions equal the amount of the excess. "SECTION 8. [EFFECTIVE JULY 1, 2005 (RETROACTIVE)]

(a) There is appropriated to the department of education the

greater of the following from the state general fund for the purposes of making the distributions for tuition support described in IC 21-3-1.7-9, as amended by this act, beginning July 1, 2005, and ending June 30, 2006:

(1) Twenty million one hundred thousand dollars (\$20,100,000).

(2) An amount sufficient to enable the department of education to make tuition support distributions after December 31, 2005, and before July 1, 2006, in accordance with IC 21-1-30 and IC 21-3 without requiring a reduction in tuition support distributions to school corporations in the first six (6) months of 2006.

The amount appropriated under this SECTION is in addition to the amount appropriated by P.L.246-2005, SECTION 9 to the department of education for distribution for tuition support but is subject to the terms and conditions specified in P.L.246-2005, SECTION 9 for the distribution for tuition support.

(b) The deficiency appropriation made by this SECTION is not subject to transfer to any other fund or subject to transfer, assignment, or reassignment for any other use or purpose by:

(1) the state board of finance, notwithstanding IC 4-9.1-1-7, IC 4-13-2-23, or any other law; or

(2) the budget agency, notwithstanding IC 4-12-1-12 or any other law.

SECTION 9. [EFFECTIVE UPON PASSAGE] (a) The definitions in IC 6-1.1-1, IC 6-1.1-20.9, and IC 6-1.1-21 apply throughout this SECTION.

(b) A taxpayer that is eligible for a homestead credit under IC 6-1.1-20.9 in 2006 is eligible for an additional child welfare relief credit under this SECTION in 2006. The amount of the additional child welfare relief credit to which the taxpayer is entitled equals the product of:

(1) twelve percent (12%); multiplied by

(2) the amount of the individual's property tax liability, as that term is defined in IC 6-1.1-21-5, that is:

(A) attributable to the homestead during the particular calendar year; and

(B) determined after the application of the property tax replacement credit under IC 6-1.1-21.

(c) A county auditor:

(1) may apply the entire amount of the additional child welfare relief credit granted by this SECTION equally to all installments of property taxes first due from the taxpayer in 2006; or

(2) if application of the credit to the first installment would delay the delivery of tax statements more than thirty (30) days after the date that the tax statements would otherwise be mailed or transmitted, may issue revised tax statements and apply the entire credit to the property tax due in a later installment.

IC 6-1.1-22.5-6 does not apply if the county auditor elects to proceed under subdivision (2). The department of local government finance may prescribe procedures to apply the additional child welfare relief credit to tax statements. A county auditor shall comply with the procedures prescribed under this subsection.

(d) The property tax replacement fund board shall provide for an additional distribution to taxing units from the property tax replacement fund to replace revenue lost to a county as the result of the granting of additional child welfare relief credits under this SECTION. The distribution shall be made on the schedule determined by the property tax replacement fund board. To the extent possible, the property tax replacement fund board shall make distributions under this subsection at the same time distributions of homestead credits and other property tax replacement credits are made. A distribution under this subsection is not subject to any law limiting the maximum amount that may be distributed under IC 6-1.1-21. The amount distributed under this subsection is not included in the amount used to determine the minimum amount that must be distributed or maximum distribution that may not be exceeded under IC 6-1.1-21.

(e) This subsection applies to a taxpayer in an allocation area that would be eligible for an additional credit under any of the

following:

- (1) IC 8-22-3.5-10.
- (2) IC 36-7-14-39.
- (3) IC 36-7-14-39.5.
- (4) IC 36-7-15.1-26.5.
- (5) IC 36-7-15.1-35.
- (6) IC 36-7-15.1-56.
- (7) IC 36-7-30-25.
- (8) IC 36-7-30-27.
- (9) IC 36-7-30.5-30.
- (10) IC 36-7-30.5-32.
- (11) IC 36-7-32-18.

As used in this subsection, "designating body" refers to the governing body permitted to reduce an additional credit otherwise granted in an allocation area to which a provision described in subdivisions (1) through (8) applies. Subject to this subsection, a taxpayer that is entitled to an additional credit on the taxpayer's homestead in an allocation area is entitled to a supplemental credit under this subsection. The amount of the supplemental credit is equal to the amount necessary to give the taxpayer the same total credit that the taxpayer would have received if the taxpayer's tangible property were not located in an allocation area. The supplemental credit reduces the amount of proceeds allocated to the district where the allocation area is located and paid into an allocation fund. A designating body may reduce the amount of the supplemental credits granted in an allocation area in the same manner and for the same reasons that the designating body is permitted to reduce an additional credit in the allocation area. The department of local government finance may prescribe procedures to use to apply a supplemental credit to tangible property in an allocation area. A county auditor shall comply with the procedures prescribed under this subsection.

(f) This SECTION expires January 1, 2007.

SECTION 10. [EFFECTIVE UPON PASSAGE] (a) As used in this SECTION, "taxable year" has the meaning set forth in IC 6-3-1-16.

(b) IC 6-3-2-20, as added by this act, applies only to taxable years beginning after June 30, 2006.

(c) The addition of IC 6-3-2-20, as added by this act, does not affect the legitimacy or illegitimacy of deductions claimed by taxpayers for taxable years beginning before July 1, 2006. Any determination of:

- (1) the department of state revenue; or
- (2) a court reviewing a department of state revenue determination;

of the legitimacy or illegitimacy of deductions claimed by taxpayers for taxable years beginning before July 1, 2006, shall be made without regard to IC 6-3-2-20, as added by this act.

(d) The department of state revenue may adopt temporary rules in the manner provided for the adoption of emergency rules under IC 4-22-2-37.1 to implement IC 6-3-2-20, as added by this act, and IC 6-3-1-3.5, as amended by this act. A temporary rule adopted under this SECTION expires on the earliest of the following:

- (1) The date a rule is adopted by the department of state revenue under IC 4-22-2 that repeals, amends, or supersedes the temporary rule.
- (2) The date another temporary rule is adopted under this SECTION that repeals, amends, or supersedes a previously adopted temporary rule.

RESOLUTIONS ON FIRST READING

House Concurrent Resolution 53

Representatives Grubb, Richardson, Robertson, and Bosma introduced House Concurrent Resolution 53:

A CONCURRENT RESOLUTION honoring Senator Richard Lugar in his efforts to safeguard the American people from the threat posed by weapons of mass destruction throughout the world.

Whereas, The collapse of the Soviet Union brought a unique problem to the citizens of the world;

Whereas, This was the first time that a nuclear nation had suddenly broken apart, and nuclear, chemical, and biological weapons command and control programs collapsed;

Whereas, The United States faced the grim possibility that weapons previously held in secure Soviet facilities and technology previously restricted to the Soviet military could be stolen or sold to the highest bidder;

Whereas, Senator Lugar and Senator Nunn worked diligently to develop a plan that would safeguard the welfare of the citizens of the former Soviet Union and the rest of the world and reduce the threat posed by the proliferation of weapons of mass destruction;

Whereas, The Nunn-Lugar Cooperative Threat Reduction Program uses money from the United States defense budget every year and allocates it to help the states of the former Soviet Union eliminate and safeguard nuclear weapons and other weapons of mass destruction;

Whereas, The Nunn-Lugar Cooperative Threat Reduction Program is not foreign aid and more than 80% of the funds are awarded through contracts to American companies;

Whereas, The goal of the Nunn-Lugar Cooperative Threat Reduction Program is to lessen the threat posed by weapons of mass destruction, to deactivate and destroy these weapons, and to assist former weapons experts to find long-term, peaceful employment;

Whereas, In 1997, Senators Lugar and Nunn were joined by Senator Pete Domenici in introducing the Defense Against Weapons of Mass Destruction Act;

Whereas, This act expanded Nunn-Lugar Cooperative Threat Reduction Program authorities in the former Soviet Union and provided defense against weapons of mass destruction expertise and equipment to first responders in 120 American cities;

Whereas, The city of Indianapolis and Marion County received first-responder training and equipment under the Nunn-Lugar-Domenici Defense Against Weapons of Mass Destruction Program in 1998, and Fort Wayne and Allen County received training and equipment in 2000;

Whereas, In 2003, Congress adopted the Nunn-Lugar Expansion Act authorizing the Nunn-Lugar Program to operate outside the former Soviet Union to address proliferation threats; and in October 2004, Nunn-Lugar Program funds were used for the first time outside of the former Soviet Union to destroy 16 tons of chemical weapons in Albania;

Whereas, Since its inception in 1991, the Nunn-Lugar Cooperative Threat Reduction Program has helped to deactivate 6,760 nuclear warheads; destroyed 590 missile silos, 32 mobile missile launchers, 150 strategic bombers, 789 air-to-surface nuclear missiles, 549 submarine launched missiles, 436 submarine missile launchers, and 28 strategic missile submarines; and sealed 194 nuclear test tunnels;

Whereas, The countries of Ukraine, Belarus, and Kazakhstan emerged from the Soviet Union as the third, fourth, and eighth

largest nuclear powers in the world, and today they are free of nuclear weapons because of the Nunn-Lugar Cooperative Threat Reduction Program;

Whereas, Still striving to reduce the threat posed by the proliferation of weapons of mass destruction throughout the world, Senator Richard Lugar has offered legislation with Senator Barack Obama;

Whereas, Senator Lugar invited his Democratic colleague to join his annual trip to inspect weapons storage and elimination sites in Russia, Ukraine, and Azerbaijan;

Whereas, Senator Obama joined Senator Lugar in proclaiming the need for urgency to prevent stockpiles of nuclear, biological, and conventional weapons from falling into the hands of terrorists;

Whereas, During their trip to the former Soviet Union, Senators Lugar and Obama witnessed first hand the progress the Nunn-Lugar Cooperative Threat Reduction Program is making in improving the safety and security of nuclear warheads, the consolidation and security improvements at biological pathogens storage facilities, and the elimination of mobile intercontinental ballistic missile launchers;

Whereas, Senators Lugar and Obama recently introduced legislation aimed at eliminating stockpiles of conventional weapons such as shoulder-fired missiles that terrorists have used to attack commercial aircraft, fuel civil wars in Africa and elsewhere, and ammunition to attack peacekeepers and aid workers seeking to stabilize and rebuild war-torn societies;

Whereas, The Lugar-Obama legislation also seeks to strengthen the ability of America's friends and allies to detect and interdict illegal shipments of weapons of mass destruction or material that could be used in nuclear, chemical, or biological weapons and to build a robust international network for stopping the proliferation of these weapons; and

Whereas, The efforts of Senator Richard Lugar to eliminate stockpiles of weapons of mass destruction and conventional weapons transcends politics; Senator Lugar, Senator Nunn, Senator Domenici, and Senator Obama work to resolve the real problems facing our nation and the world in a bipartisan effort to make all people safer from the terrorist threat: Therefore,

Be it resolved by the House of Representatives of the General Assembly of the State of Indiana, the Senate concurring:

SECTION 1. That the Indiana General Assembly acknowledges the efforts of Senator Richard Lugar in making the world a safer place and promoting cooperative solutions to the world's problems.

SECTION 2. That the Principal Clerk of the House of Representatives shall transmit a copy of this resolution to Senator Lugar, Senator Nunn, Senator Domenici, and Senator Obama.

The resolution was read a first time and adopted by voice vote. The Clerk was directed to inform the Senate of the passage of the resolution. Senate sponsor: Senator Hershman.

However, if the taxpayer, at the time a refund is claimed, owes any other taxes, interest, or penalties payable to the county treasurer to whom the taxes subject to the credit were paid, then the credit shall be first applied in full or partial payment of the other taxes, interest, and penalties and the balance, if any, remaining after that application is available as a refund to the taxpayer.

(b) Any taxpayer entitled to a refund under this section **other than a refund based on the credit under section 5.8 of this chapter** shall be paid that refund from proceeds of the property tax replacement fund. However, with respect to any refund attributable to a homestead credit, the refund shall be paid from that fund only to the extent that the percentage homestead credit the taxpayer was entitled to receive for a year does not exceed the percentage credit allowed in IC 6-1.1-20.9-2(d) for that same year. Any refund in excess of that amount shall be paid from the county's revenue distributions received under IC 6-3.5-6.

(c) The state board of accounts shall establish an appropriate procedure to simplify and expedite the method for claiming these refunds and for the payments thereof, as provided for in this section, which procedure is the exclusive procedure for the processing of the refunds. The procedure shall, however, require the filing of claims for the refunds by not later than June 1 of the year following the payment of the taxes to which the credit applied."

SECTION 26. IC 6-1.1-47 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]:

Chapter 47. Historic Rehabilitation Property Tax Credit

Sec. 1. The definitions in IC 6-3.1-16 and IC 6-3.1-22 apply throughout this section.

Sec. 2. (a) A county fiscal body may adopt an ordinance to authorize the application of the credit under this chapter against an owner's property tax liability that is attributable to increases in assessed valuation of the owner's historic property resulting from the rehabilitation of the historic property.

(b) An ordinance adopted under this section must specify the first assessment date for which an increase in the assessed valuation of an historic property resulting from rehabilitation becomes eligible for a credit under this chapter.

Sec. 3. An ordinance adopted under section 2 of this chapter authorizes the credit for:

- (1) the first calendar year that the owner's property tax liability is determined using an increase in the historic property's assessed valuation resulting from the rehabilitation of the historic property; and
- (2) the four (4) succeeding calendar years during the five (5) year period referred to in section 5 of this chapter.

Sec. 4. Subject to section 11 of this chapter and IC 6-1.1-12-25, if:

- (1) the assessed valuation of historic property is increased:
 - (A) as a result of rehabilitation; and
 - (B) as of an assessment date to which an ordinance adopted under section 2 of this chapter applies; and
- (2) the owner is eligible for a historic rehabilitation credit under IC 6-3.1-16 or IC 6-3.1-22 against the owner's state tax liability based on the rehabilitation;

the owner is entitled to a credit against the owner's property tax liability attributable to the property. The amount of the credit to which the owner is entitled is determined under section 5 of this chapter.

Sec. 5. (a) Subject to subsection (b), the amount of the credit equals one hundred percent (100%) of the owner's property tax liability that is attributable to the increase in assessed valuation resulting from the rehabilitation. The owner is entitled to this credit annually for a five (5) year period. The first year of that period is the first year that the rehabilitation results in an increase in the owner's property tax liability attributable to the historic property. If the rehabilitation results in increases in the property tax liability attributable to the historic property in more than one (1) year, each annual increase may qualify separately for the credit.

(b) If:

- (1) a general reassessment of real property under

IC 6-1.1-4-4 or an adjustment under IC 6-1.1-4-4.5 occurs within the period of the credit; or

(2) an appeal of an assessment is approved that results in a change in the assessed valuation of the historic property; the amount of the credit shall be adjusted to reflect the resulting percentage increase or decrease in the assessed valuation of the historic property and its corresponding effect on the property tax liability attributable to the historic property.

Sec. 6. The credit reduces the amount of historic rehabilitation credit to which the owner is entitled under IC 6-3.1-16-7 or IC 6-3.1-22-8. This credit shall be applied before the homestead credit provided under IC 6-1.1-20.9 and the property tax replacement credit provided under IC 6-1.1-21.

Sec. 7. A property owner who desires to obtain the credit must file a certified credit application, on forms prescribed by the department of local government finance, with the auditor of the county in which the property is located. The application may be filed in person or by mail. If mailed, the mailing must be postmarked on or before the last day for filing. The statement must be filed during the twelve (12) months before June 11 of the year prior to the first year for which the person wishes to obtain the credit for the historic property.

Sec. 8. The application required by section 7 of this chapter must contain the following information:

- (1) The name of the property owner.
- (2) A description of the property for which a credit is claimed in sufficient detail to afford identification.
- (3) The certifications required:
 - (A) under IC 6-3.1-16-8 to obtain the credit under IC 6-3.1-16; or
 - (B) under IC 6-3.1-22-9 to obtain the credit under IC 6-3.1-22.
- (4) A description of the rehabilitation of the historic property.
- (5) Evidence of the cost of the rehabilitation of the historic property.
- (6) The assessed valuation of the improvements on the historic property before the rehabilitation.
- (7) The increase in the assessed valuation of improvements resulting from the rehabilitation.

Sec. 9. A credit application filed under section 7 of this chapter applies for the entire period under section 5 of this chapter that the owner is entitled to a credit under this chapter without a requirement for any additional application.

Sec. 10. On verification of the correctness of an application by the assessor of the township in which the property is located, the county auditor shall make the credit in the amount determined under section 5 of this chapter.

Sec. 11. If the conditions for the recapture of a credit under IC 6-3.1-16-12 or IC 6-3.1-22-13 are met, the property owner shall pay to the county treasurer for each year the credit was in effect the amount of additional property taxes for which the property owner would have been liable if the credit had not been in effect. The county treasurer shall distribute money paid under this section proportionately to the general fund of each taxing unit in which the property that was subject to the credit is located based on the property tax rates of the units.

Sec. 12 (a) The application of the credit under this chapter results in a reduction of the property tax collections of each political subdivision in which the credit is applied. A political subdivision may not increase its property tax levy to make up for that reduction.

(b) The county auditor shall in each calendar year notify each political subdivision in which the credit under this chapter is applied of the reduction referred to in subsection (a) for the political subdivision for that year.

Sec. 13. The department of local government finance may adopt rules under IC 4-22-2 to implement this section.

SECTION 27. IC 6-3.1-16-7 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 7. (2) **a statement whether the taxpayer claimed a property tax credit based on the rehabilitation under IC 6-1.1-47 that resulted in a reduction of the taxpayer's liability for property taxes first due and payable in the taxable year for which the credit is claimed;**

(3) **if the taxpayer's property tax liability was reduced as described in subdivision (2), the amount of the reduction for property taxes first due and payable in the taxable year for which the credit is claimed; and**

(4) all other information that the department of state revenue determines is necessary for the calculation of the credit provided by this chapter.

SECTION 29. IC 6-3.1-22-8 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 8. Whereas, Aquatic invasive species have caused significant damage to native environments and industrial operations in the Great Lakes and around the world;

Whereas, Indiana ranks 14th in the nation for waterborne shipping with nearly 70 million tons of maritime cargo per year, and the state's Lake Michigan ports provide Indiana farmers, steel mills, and manufacturers with access to foreign markets through the Great Lakes/St. Lawrence Seaway;

Whereas, Current federal laws governing the introduction of aquatic invasive species into United States waters via ballast water of ocean-going ships and other sources are inadequate; and

Whereas, There is currently no nationally accepted standard for ballast water quality or any approved ballast treatment technologies available to ship operators: Therefore,

Whereas, Individuals with mental retardation or other developmental disabilities have substantial limitations on their functional capacities, including limitations in three or more of the areas of self-care, receptive and expressive language, learning, mobility, self-direction, capacity for independent living, and economic self-sufficiency, as well as the continuous need for individually planned and coordinated services;

Whereas, For the past two decades individuals with mental retardation or other developmental disabilities and their families have increasingly expressed their desire to live and work in their

communities, joining the mainstream of American life;

Whereas, The Supreme Court, in its Olmstead decision, affirmed the right of individuals with mental retardation or other developmental disabilities to receive community-based services as an alternative to institutional care;

Whereas, The demand for community supports and services is rapidly growing, as States comply with the Olmstead decision and continue to move more individuals from institutions into the community;

Whereas, The demand will also continue to grow as family caregivers age, individuals with mental retardation or other developmental disabilities live longer, waiting lists grow, and services expand;

Whereas, Families and private providers that employ direct support professionals deliver the majority of supports and services for individuals with mental retardation or other developmental disabilities in the community;

Whereas, Direct support professionals provide a wide range of supportive services to individuals with mental retardation or other developmental disabilities on a day-to-day basis, including habilitation, health needs, personal care and hygiene, employment, transportation, recreation, and housekeeping and other home management-related supports and services so that these individuals can live and work in their communities;

Whereas, Direct support professionals generally assist individuals with mental retardation or other developmental disabilities to lead self-directed family, community, and social lives;

Whereas, Private providers and the individuals for whom they provide supports and services are in jeopardy as a result of the growing crisis in recruiting and retaining a direct support workforce;

Whereas, Providers of supports and services to individuals with mental retardation or other developmental disabilities typically draw from a labor market that competes with other entry-level jobs that provide less physically and emotionally demanding work, and higher pay and other benefits, and therefore these direct support jobs are not currently competitive in today's labor market;

Whereas, Annually national industry turnover rates for direct support workers range from 40 to 75 percent;

Whereas, High rates of employee vacancies and turnover threaten the ability of providers to achieve their core mission of providing safe and high-quality supports to individuals with mental retardation or other developmental disabilities;

Whereas, Direct support staff turnover is emotionally difficult for the individuals being served;

Whereas, many parents are becoming increasingly afraid that there will be no one available to take care of their sons and daughters with mental retardation or other developmental disabilities who are living in the community;

Whereas, This workforce shortage is the most significant barrier to implementing the Olmstead decision and undermines the expansion of community integration as called for by President Bush's New Freedom Initiative, placing the community support infrastructure at risk; and

Whereas, The Indiana Association of Rehabilitation Facilities is committed to supporting the provision of safe and high-quality supports to individuals with mental retardation or other developmental disabilities who benefit from community based services for the developmentally disabled through recognition of the quality of care provided by the direct support staff who deliver those services in community-based settings: Therefore,

Be it resolved by the House of Representatives of the General Assembly of the State of Indiana:

SECTION 1. The Indiana House of Representative does hereby resolve that Indiana recognizes that building a stable, well-trained direct support workforce to provide supports and services to individuals with mental retardation and other developmental disabilities is important in advancing Indiana's commitment to community integration for those individuals and to personal security for them and their families.

SECTION 2. Be it further resolved, that the Indiana House of Representatives seeks to encourage this by taking advantage of all resources, both federal and state, for developing and expanding career options and opportunities to meet this workforce crisis of direct support professionals in Indiana.

SECTION 3. The Clerk of the Indiana House of Representatives shall transmit a copy of this resolution to President George W. Bush, every member of the Indiana United States Congressional Delegation, and Governor Mitchell E. Daniels.

The resolution was read a first time and referred to the Committee on Rules and Legislative Procedures.

House Resolution 32

Representative Ruppel introduced House Resolution 32:

A HOUSE RESOLUTION urging the legislative council to assign to the appropriate committee the issue of homeland security related to ports, freight yards, and rail yards.

Whereas, With the increase of terrorist activity throughout the world and the threat of additional terror attacks on United States soil, it becomes vital to be fully aware of all possible dangers that exist at all ports of entry into the United States; and

Whereas, Additionally, terrorists could create mass confusion and great loss of life if they were to strike the nation's freight and rail yards: Therefore,

Be it resolved by the House of Representatives of the General Assembly of the State of Indiana:

SECTION 1. That the legislative council is urged to assign to the appropriate committee the issue of homeland security related to ports, freight yards, and rail yards.

SECTION 2. That the committee shall operate under the direction of the legislative council and that the committee shall issue a final report when directed to do so by the council.

The resolution was read a first time and referred to the Committee on Rules and Legislative Procedures.

House Resolution 33

Representative Koch introduced House Resolution 33:

A HOUSE RESOLUTION in support of the United States remaining a leader in space exploration and development.

Whereas, Since its inception in 1958, the National Aeronautics and Space Administration (NASA) has accomplished many significant scientific and technological goals and advanced humankind's knowledge of the Earth and the universe;

Whereas, NASA has improved the quality and extended the lives of citizens not only within the United States, but throughout the world, by the development of technologies including, but not limited to, image processing in CAT Scanners and MRI Machines, kidney dialysis, programmable heart pacemakers, fetal heart monitors, and surgical probes to treat brain tumors;

Whereas, NASA employs more than 18,000 civil service employees and awarded over \$13 billion in contracts in fiscal year 2004 with both the private sector and academia in support of NASA programs;

Whereas, NASA supports space-related activities in all 50 states through its Space Grant Consortia, Explorer Schools, Educator Resource Center Networks, and EPSCoR program;

Whereas, The desire to explore is part of America's character, and history has shown that space exploration benefits all humankind through new technologies for everyday application, new jobs across the entire economic enterprise, economic contributions through new markets and commercial products, education and inspiration, United States leadership, increased security, and legacy for future generations;

Whereas, A Space Exploration Vision has recently been articulated to affirm the United States' commitment to human and robotic space exploration and to give NASA a new focus and clear objectives, including long-term human and robotic programs to explore the solar system, and a return to the moon that will ultimately enable future exploration of Mars and other destinations;

Whereas, The Space Exploration Vision has the potential to drive innovations, development, and advancement in the aerospace and other high technology industries in Indiana and in benefit of our constituents; and

Whereas, Funding for NASA both directly and indirectly benefits Indiana, our constituents, and the aerospace industry nationally: Therefore,

Be it resolved by the House of Representatives of the General Assembly of the State of Indiana:

SECTION 1. That the members of the Indiana House of Representatives, the Senate concurring, honor the National Aeronautics and Space Administration (NASA), and recognize its efforts and advancements in aerospace.

SECTION 2. That the Indiana House of Representatives supports the United States remaining a leader in space exploration and development.

SECTION 3. That the Principal Clerk of the House of Representatives shall transmit a copy of this resolution to NASA.

The resolution was read a first time and referred to the Committee on Rules and Legislative Procedures.

House Resolution 34

Representatives Crawford, Yount, Thomas, Porter, C. Brown, Mays, Summers, Dickinson, V. Smith, and Aguilera introduced House Resolution 34:

A HOUSE RESOLUTION urging Hoosiers to be aware of the dangers of diabetes.

Whereas, Diabetes is a disease where the body does not produce or properly use insulin;

Whereas, Insulin is a hormone needed to convert sugar, starches, and other food into energy that your body needs daily;

Whereas, The cause of diabetes is unknown, although both genetics and environmental factors such as obesity and lack of exercise seem to play a role;

Whereas, There are 20.8 million people, 7 percent of the population of the United States, that have diabetes; 6.2 million are unaware that they have the disease;

Whereas, Almost 3 million African-Americans have diabetes and are twice as likely as non-Hispanic whites to have diabetes;

Whereas, African-Americans have a 114 percent higher diabetes death rate nationally than whites; in Indiana the death rate is 59% higher than whites; and

Whereas, Diabetes is a disease that can be prevented or kept in check through good nutrition and regular physical activity: Therefore,

Be it resolved by the House of Representatives of the General Assembly of the State of Indiana:

SECTION 1. That the Indiana House of Representatives reminds the citizens of Indiana that to prevent and cure diabetes and improve the lives of all people affected by the disease, we must all be aware of the causes and the steps we can take to make sure that our loved ones are not affected by this disease.

SECTION 2. That the Principal Clerk of the House of Representatives shall transmit a copy of this resolution to the American Diabetes Association.

The resolution was read a first time and referred to the Committee on Rules and Legislative Procedures.

House Resolution 35

Representative Borders introduced House Resolution 35:

A HOUSE RESOLUTION to urge the Congress of the United States to give due consideration to the readiness of the Republic of China on Taiwan for membership in the United Nations.

Whereas, The Republic of China on Taiwan ("Taiwan") has established a democratic, multiparty political system, and its show of diplomacy aimed at national unification demonstrates its progressive spirit as a government and a people. Inclusion of Taiwan in the

United Nations would only further the universality of this essential global forum;

Whereas, Already having provided many developing nations with financial assistance, as well as overseas aid, training, and disaster relief, Taiwan has amply illustrated its concern for the welfare of the world; and

Whereas, The government of Taiwan has accepted the obligations contained in the United Nations Charter and agrees to promote international peace and security. The fundamental right of the 21,000,000 people who comprise Taiwan to be partners in the community of nations should no longer be denied: Therefore,

Be it resolved by the House of Representatives of the General Assembly of the State of Indiana:

SECTION 1. That the Indiana House of Representatives supports the membership of the Republic of China on Taiwan in the United Nations and urges due consideration by the Congress of the United States.

SECTION 2. That the Principal Clerk of the House of Representatives shall transmit a copy of this resolution to the President and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives, Indiana's Senators and Representatives in Congress, and the United Nations General Assembly.

The resolution was read a first time and referred to the Committee on Rules and Legislative Procedures.

House Resolution 36

Representative Borders introduced House Resolution 36:

A HOUSE RESOLUTION to support a free trade agreement between the Republic of China on Taiwan and the United States.

Whereas, The Republic of China on Taiwan ("Taiwan") and the United States enjoy one of the most important economic and strategic international relationships that exist today;

Whereas, Together, Taiwan and the United States promote a shared belief in freedom, democracy, and market principles;

Whereas, The level of mutual investment between Taiwan and the United States is quite high;

Whereas, Streamlined foreign investment procedures developed under a free trade agreement between Taiwan and the United States would create new business opportunities and new job;

Whereas, A free trade agreement between Taiwan and the United States would encourage greater innovations and manufacturing efficiencies by stimulating joint technological development, practical applications, and new cooperative ventures;

Whereas, A recent study by the United States International Trade Commission supports the negotiation of a free trade agreement between Taiwan and the United States; and

Whereas, A free trade agreement between Taiwan and the United States would build on the existing strong relations between Taiwan and the United States to simultaneously boost Taiwan's security and democracy and serve the broader interest of the United States in the Asia-Pacific region:

Be it resolved by the House of Representatives of the General Assembly of the State of Indiana:

SECTION 1. That the Indiana House of Representatives supports the negotiation of free trade agreement between the Republic of China on Taiwan and the United States.

SECTION 2. That the Principal Clerk of the Indiana House of Representatives shall transmit a copy of this resolution to the Taipei Economic and Cultural Office in Chicago, Illinois.

The resolution was read a first time and referred to the Committee on Rules and Legislative Procedures.

House Resolution 37

Representative Borders introduced House Resolution 37:

A HOUSE RESOLUTION to commend the Republic of China on Taiwan on its contributions to promote world health.

Whereas, Good health is essential to every citizen of the world and access to the highest standards of health information and services is necessary to improve public health;

Whereas, The World Health Organization (WHO) set forth in the first chapter of its charter the objective of attaining the highest possible level of health for all people;

Whereas, The Republic of China on Taiwan's ("Taiwan") achievements in the field of health are substantial, including one of the highest life expectance levels in Asia, maternal and infant mortality rates comparable to those of western countries, and the eradication of such infectious diseases as cholera, smallpox, and the plague; moreover, it was the first Asian nation to eradicate polio and provide children with hepatitis B vaccinations;

Whereas, The United States Center for Disease Control and Prevention and its Taiwanese counterpart have enjoyed close collaboration on a wide range of public health issues;

Whereas, In recent years, Taiwan has expressed a willingness to assist financially and technically in international health activities supported by the WHO; and

Whereas, Direct, unobstructed participation in international health forums and programs is critical to limit the spread of various infectious diseases and achieve world health: Therefore,

Be it resolved by the House of Representatives of the General Assembly of the State of Indiana:

SECTION 1. That the Indiana House of Representatives commends the efforts of the Republic of China on Taiwan in support of world health and extends its support for the Republic of China on Taiwan's participation in the World Health Organization.

SECTION 2. That the Principal Clerk of the House of Representatives shall transmit a copy of this resolution to the governing authority of the World Health Organization and to the Taipei Economic and Cultural Office in Chicago, Illinois.

The resolution was read a first time and referred to the Committee on Rules and Legislative Procedures.

House Resolution 38

Representative Burton introduced House Resolution 38:

A HOUSE RESOLUTION to urge the department of transportation to rename the section of Interstate Highway 65 running through Johnson County the Pearl Harbor Memorial Highway.

Whereas, It is important and fitting for our society to recognize and honor the contributions of those citizens who have served this nation in times of war;

Whereas, The December 7, 1941 attack on Perl Harbor was a devastating attack on our nation's homeland that cost the lives of more than 2,000 American civilians, soldiers, sailors, and marines;

Whereas, As the Pearl Harbor Memorial Highway, Interstate 65 throughout Johnson County could stand as a tribute to those heroic men and women who gave their lives in defense of the United States of America and the freedom of its citizens; and

Whereas, In these times of danger throughout America, it is vital to remember the bravery of those citizens who made the ultimate sacrifice for their country and to ensure that all Americans will be ever vigilant so that tragedies like the attack on Pearl Harbor do not happen again: Therefore,

Be it resolved by the House of Representatives of the General Assembly of the State of Indiana:

SECTION 1. That the Indiana House of Representatives urges the Indiana Department of Transportation to rename the part of Interstate Highway 65 that runs through Johnson County the Pearl Harbor Memorial Highway.

SECTION 2. That the Principal Clerk of the House of Representatives shall transmit a copy of this resolution to the Commissioner of the Indiana Department of Transportation.

The resolution was read a first time and referred to the Committee on Rules and Legislative Procedures.

The Speaker handed down Senate Concurrent Resolution 25, sponsored by Representatives Gutwein, Ayres, and Budak:

A CONCURRENT RESOLUTION urging the Indiana Department of Transportation to rename State Road 10 between Wheatfield and Demotte in honor of Trooper Scott A. Patrick.

Whereas, Scott A. Patrick was born September 12, 1975, to Ron and Sandy Patrick;

Whereas, Scott grew up in the Wheatfield area and graduated from Kankakee Valley High School with an academic honors diploma;

Whereas, Scott then attended the University of Southern Indiana (USI) on an academic and carpenter's scholarship;

Whereas, While attending USI, Scott was a founding member of the Alpha Sigma Phi fraternity and excelled in sports as a starter for the rugby team and a participant in the intramural program;

Whereas, While attending USI, Scott met Melissa Clark, whom he married in July 2000;

Whereas, In January 2000, Scott began his career as an Indiana State Police Trooper, starting at the academy on January 23 and graduating on June 23;

Whereas, Upon graduation, Scott was assigned to the Lowell Post and he and Melissa moved to Valparaiso. Scott loved his job and strove to be the best trooper he could be;

Whereas, Scott was very committed to his family. Just prior to his death, Scott had learned that he was going to become a father and he beamed with pride every time someone mentioned fatherhood;

Whereas, Scott's child will never know the wonderful man who was his father because Scott gave his life protecting the citizens of Indiana; and

Whereas, Scott was a unique individual who touched the lives of everyone he came in contact with and his death leaves an enormous void in the lives of many people: Therefore,

*Be it resolved by the Senate
of the General Assembly of the State of Indiana,
the House of Representatives concurring:*

A recipient of a credit under this chapter is encouraged to purchase goods and services from underutilized small businesses, especially women and minority business enterprises.

(b) The definitions in IC 6-3.1-27 and IC 6-3.1-28 apply throughout this section. A term used in this section that is defined in both IC 6-3.1-27 and IC 6-3.1-28 refers to the term as defined in:

In addition, as used in this section, "person" refers to a taxpayer or a

(f) A person that:

(1) begins construction of a facility or an expansion of a facility for the production of biodiesel, blended biodiesel, or ethanol in Indiana after February 28, 2005; and

~~(B) a credit equal to the level of production demonstrated as economically viable under the business plan submitted to the corporation by the person;~~

(h) To qualify for certification under subsection (g), a person must do the following:

(1) Submit an application for the credit on the forms and in the manner prescribed by the corporation for the credit that is the subject of the application.

(2) Demonstrate through a business plan and other information presented to the corporation that the level of production proposed by the person is feasible and economically viable. In making a determination under this subdivision, the corporation shall consider:

(A) whether the person is sufficiently capitalized to complete the project;

(B) the person's credit rating;

(C) whether the person has sufficient technical expertise to build and operate a facility; and

(D) other relevant financial information as determined by the corporation.

(i) The corporation shall record the time of filing of each application submitted under this section. The corporation shall grant certifications under this section to qualifying applicants in the chronological order in which the applications for the same type of credit are filed until the maximum allowable credit for that type of credit is fully allocated.

(j) The corporation may terminate a certification or reduce an allocation of a credit granted under this section only if the corporation determines, after a hearing, that the person granted the certification or allocation has failed to:

(1) substantially comply with the business plan that is the basis for the certification or allocation; or

(2) submit the information needed by the corporation to determine whether the person has substantially complied with the business plan that is the basis of the certification or allocation.

If an allocation of a credit is terminated or reduced, the unused credit becomes available for allocation to other qualifying applicants in the chronological order in which the applications for the same type of credit are filed until the maximum allowable credit for that type of credit is fully allocated. The corporation may approve an amendment to a business plan or a transfer of a certificate of eligibility in conformity with the terms and conditions specified by the corporation in rules adopted by the corporation under IC 4-22-2.

A CONCURRENT RESOLUTION congratulating Molly Seward for being named Indiana's Teacher of the Year for 2005, thanking her for her service to Indiana's youth, and extending our congratulations to her for representing Indiana at the national competition in Washington, DC for teacher of the year.

Whereas, Molly is a second grade teacher of 17 years;

Whereas, She teaches at Snacks Crossing Elementary in MSD Pike Twp Schools in Indianapolis and is currently a "teacher-in-residence" at the Indiana Department of Education;

Whereas, She received her Bachelor of Science in Elementary Education from Indiana University in December of 1986 and a Masters of Science in Curriculum and Instruction from the University of Indianapolis in May of 1998;

Whereas, Dr. Suellen Reed, Superintendent of Public Instruction, has said that her "classroom and community work demonstrates a strong commitment to making Indiana's public schools stronger and its teachers better" and that "she is an advocate for the state of education in Indiana, an inspiration to our students, and an outstanding representative for all Indiana teachers";

Whereas, She has been honored as the Pike Township Teacher of the Year in 2004 and as the Outstanding Indiana Educator in 1997 by the University of Indianapolis; and

Whereas, She received the Armstrong Teacher Educator award in 2004 and the Professional Teaching Achievement Award from Governor O'Bannon in 2001: Therefore,

*Be it resolved by the Senate
of the General Assembly of the State of Indiana,
the House of Representatives concurring:*

SECTION 1. The General Assembly congratulates Molly Seward for being named Indiana's Teacher of the Year for 2005, thanks her for her service to Indiana's youth, and extends its congratulations to her for representing Indiana at the national competition in Washington, DC for teacher of the year.

SECTION 2. The Secretary of the Senate shall transmit a copy of this resolution to Molly Seward, Indiana University, the University of Indianapolis, and Snacks Crossing Elementary School.

The resolution was read a first time and adopted by voice vote. The Clerk was directed to inform the Senate of the passage of the resolution.

Senate Concurrent Resolution 41

The Speaker handed down Senate Concurrent Resolution 41, sponsored by Representatives Ruppel, Pond, Bischoff, and Goodin:

A CONCURRENT RESOLUTION honoring the Indiana State Fair Commission and Board on the upcoming 150th State Fair.

Whereas, In 1851, the Indiana General Assembly passed an act "to encourage agriculture," which provided for the formation of a State Board of Agriculture. The primary goal of the Board was to create the first Indiana State Fair;

Whereas, Then in 1852, Indiana became the sixth state to begin holding an annual state agricultural fair. The original purpose of the State Fair was to allow Indiana's farmers to share ideas, view the most modern farming techniques, and display their products;

Whereas, The first State Fair was held at Camp Sullivan, which is now known as Military Park in downtown Indianapolis. While Indianapolis has been the primary location of the State Fair throughout its history, a few other Indiana cities hosted the event in the 1800s: Lafayette (1853), Madison (1854), New Albany (1859), Fort Wayne (1865) and Terre Haute (1867);

Whereas, In 1892, the Fair moved to its current location at East 38th Street and Fall Creek Parkway;

Whereas, The Indiana State Fair is one of the longest running fairs in the nation, having been held every year since 1852 with the exceptions of 1861, due to the Civil War, and 1942-1945, due to World War II;

Whereas, Agricultural activities at the Fair over the years have consisted of various livestock shows and crop exhibits. In addition, the Fair has included numerous homemaking projects such as baking, sewing, and arts and crafts;

Whereas, Today, with over 64,000 farms in Indiana, agriculture is still a focal point of the Fair. Attractions such as Pioneer Village, Farmers Day at the Fair, Pioneer Our Land Pavilion, the Ag/Hort Building, Little Hands on the Farm, and countless other exhibits highlight the development and impact of agriculture on the lives of Hoosiers statewide;

Whereas, In addition to agriculture, the Indiana State Fair has hosted many nationally-known performers, including: Captain Kangaroo, Johnny Cash, Reba McKentire, Def Leppard, Dolly Parton, Garth Brooks, Bruce Springsteen, Alabama, Sonny & Cher, and The Beatles;

Whereas, The Indiana State Fair is also known for its scrumptious and varied menu of food, including traditional favorites like corn on the cob, Hoosier ribeye sandwiches, lemon shake-ups, milk shakes, and corn dogs, as well as many other delicious treats;

Whereas, After \$8 million in enhancements in 2004, the 4-H Education Complex at the State Fairgrounds is the nation's premier showcase of 4-H exhibits and events;

Whereas, With an annual average attendance of more than 800,000 visitors, the State Fair is the most-attended event in Indiana and generates nearly \$20 million annually for the economy; and

Whereas, Although primarily an agricultural exposition, the Indiana State Fair is a family event that young and old look forward to every year: Therefore,

*Be it resolved by the Senate
of the General Assembly of the State of Indiana,
the House of Representatives concurring:*

SECTION 1. That the Indiana General Assembly recognizes the 150th Indiana State Fair and congratulates the Indiana State Fair Commission and Board on having one of the longest running State Fairs in the nation.

SECTION 2. The Secretary of the Senate is hereby directed to transmit a copy of this resolution to Cindy Hoyer, Executive Director of the Fair Commission; Dr. Gene Sease, State Fair Commission Chairman; and the members of the Indiana State Fair Board.

The resolution was read a first time and adopted by voice vote. The Clerk was directed to inform the Senate of the passage of the resolution.

Representative Wolkins, who had been excused, was present.

Senate Concurrent Resolution 37

The Speaker handed down Senate Concurrent Resolution 37, sponsored by Representative Messer:

A CONCURRENT RESOLUTION requesting the Indiana Education Roundtable to serve as the Indiana State Roundtable for purposes of participating in the Midwestern Education to Workforce Policy Initiative.

Whereas, The State of Indiana has entered into an interstate compact with other midwestern states to form the Midwestern Higher Education Commission. The State also participates extensively in the activities of the Midwest Council of Governments;

Whereas, The Midwestern Education to Workforce Policy Initiative was developed by the Midwestern Higher Education Commission; the Council of State Governments Midwestern Regional Office, representing the Midwestern Legislative Conference; and the Midwestern Governors Association;

Whereas, The Midwestern Higher Education Commission and the Midwest Council of Governments have received substantial funding from the Lumina Foundation for an Education to Workforce Policy Initiative. Whereas, The Initiative held a summit in October 2005 convening government, business, education, and legislative leaders from around the Midwest. The Midwest Education to Workforce Policy Initiative Summit concluded that the nation as a whole, and the Midwest in particular, faces unprecedented competitiveness challenges to the size and quality of its workforce;

Whereas, The Summit participants determined that a prudent next step in the Initiative is to convene state-level Roundtables to receive information and develop workforce plans appropriate for each state; and

Whereas, Made up of members representing diverse constituencies in government, education, and business/industry, the Indiana Education Roundtable regularly considers broad education and workforce policy issues confronting the State: Therefore,

*Be it resolved by the Senate

RESOLUTIONS ON FIRST READING

House Resolution 45

Representative Hoffman introduced House Resolution 45:

A HOUSE RESOLUTION urging the legislative council to direct the pension management oversight commission to study the military service credit law for retired teachers contained in IC 5-10.4-4-8 (formerly IC 21-6.1-4-6.1).

Whereas, The provisions of IC 5-10.4-4-8 do not apply to retired educators who went directly into military service and completed their service honorably before attending college and becoming public school teachers; and

Whereas, This omission means that many World War II and Korean War veterans are not eligible to count the military service they honorably performed before attending college and becoming public school educators, which is an unfair treatment of these retired teacher veterans: Therefore,

*Be it resolved by the House of Representatives
of the General Assembly of the State of Indiana:*

SECTION 1. That the legislative council is urged to direct the pension management oversight commission to study the military service credit law for retired teachers contained in IC 5-10.4-4-8 (formerly IC 21-6.1-4-6.1).

SECTION 2. That the committee shall operate under the direction

of the legislative council and that the committee shall issue a final report when directed to do so by the council.

The resolution was read a first time and referred to the Committee on Rules and Legislative Procedures.

House Resolution 46

Representatives Dobis, Aguilera, Cheney, Kuzman, Lehe, Stevenson, C. Brown, E. Harris, Ayres, L. Lawson, and V. Smith introduced House Resolution 46:

A HOUSE RESOLUTION urging the Northwest Indiana Regional Development Authority to begin spending the money allocated to it in HEA 1120-2005 before receiving approval of its strategic plan.

Whereas, The Northwest Indiana Regional Development Authority is charged with accomplishing a variety of projects, including investigating the extension of South Shore passenger rail service to Lowell and Valparaiso, integrating existing bus services, helping to bring the Marquette Plan for the lakeshore to completion, and helping the Gary/Chicago International Airport become a reality;

Whereas, The overall charge given to the Authority is to boost the region's economic development;

Whereas, The Northwest Indiana Regional Development Authority is also charged with developing a strategic plan that will include many of these projects;

Whereas, If the Northwest Indiana Regional Development Authority waits to distribute the money earmarked for the region until the strategic plan has been approved, it will miss a valuable opportunity to jump start the economic development of an area with an economy in need of stimulation;

Whereas, Local money is also needed to compete for federal funds from agencies like the Federal Aviation Administration, the U.S. Environmental Protection Agency, the Federal Transit Administration, and the U.S. Army Corps of Engineers;

Whereas, Competition for federal funds is fierce and Northwest Indiana is at its most critical juncture in 100 years; and

Whereas, In the world of business, plans must be adapted quickly to meet the needs of a changing market: Therefore,

*Be it resolved by the House of Representatives
of the General Assembly of the State of Indiana:*

SECTION 1. That the Indiana House of Representatives urges the Northwest Indiana Regional Development Authority to proceed with spending the money allocated to it in HEA 1120-2005 before receiving approval of its strategic plan.

SECTION 2. That the Principal Clerk of the House of Representatives shall transmit a copy of this resolution to Governor Mitch Daniels and the Northwest Indiana Regional Development Authority.

The resolution was read a first time and referred to the Committee on Rules and Legislative Procedures.

Senate Concurrent Resolution 48

The Speaker handed down Senate Concurrent Resolution 48, sponsored by Representatives Bauer, Kromkowski, Dvorak, and Fry:

A CONCURRENT RESOLUTION congratulating and honoring the South Bend Silver Hawks Class A Minor League Baseball team for their outstanding 2005 season which culminated in a Midwest League Championship victory.

Whereas, The South Bend team was awarded a Midwest League franchise in 1988 bearing the name of their parent club, the Chicago White Sox;

A CONCURRENT RESOLUTION congratulating the members of the Heritage Christian High School girls' basketball team on the occasion of their Class 2A state basketball championship victory.

Whereas, Heritage Christian High School won its first team state championship with the Lady Eagles' 46–34 victory over Westview High School in the Indiana High School Athletic Association (IHSAA) Class 2A girls' basketball championship;

Whereas, The Lady Eagles' championship drive consisted of seven games, with an average victory margin of 19 points per game;

Whereas, The Lady Eagles defeated Broad Ripple, Arlington, and Cathedral High Schools to win the Indianapolis City Tournament;

Whereas, The Heritage Christian girls finished this stellar season with a 25–3 overall record, their only losses coming against Class 4A Pike High School and Carmel High School and Class 3A Bishop Chatard High School;

Whereas, This year's game was not the Lady Eagles' first visit to the championship game; Lindsay Dixon, Nicole Roush, Courtney Turner, and Bre Jones played in the state finals in 2004 only to finish as runner-up to Rochester High School;

Whereas, The Lady Eagles returned five letter winners who combined with the freshmen to form the winning combination of two seniors, two juniors, two sophomores, and six freshmen;

Whereas, This season was not without sadness, however;

Whereas, The Lady Eagles dedicated their season to the memory of their former coach, Dr. Mark "Doc" Richards, who passed away suddenly on September 23, 2005;

Whereas, Dr. Richards had been the girls' varsity coach for the previous five years;

Whereas, Nicole Roush, Kayla Skaggs, Courtney Turner, Bre Jones, and Lindsay Dixon, the five returning players, were invited to Doc's home the evening prior to his death where Dr. Richards encouraged them to give their all in the upcoming season and their future lives;

Whereas, Doc Richards left them with the words of wisdom to always "glorify God, play hard, and have fun";

Whereas, Rick Risinger, volunteer assistant coach, stepped in to become the interim head coach and molded the girls into a championship squad; and

Whereas, The Heritage Christian Lady Eagles can truly say they followed the advice of their beloved coach and glorified God, played hard, and had fun: Therefore,

*Be it resolved by the House of Representatives
of the General Assembly of the State of Indiana,
the Senate concurring:*

SECTION 1. That the Indiana General Assembly congratulates the Heritage Christian Lady Eagles on winning the Class 2A girls' basketball state championship and wishes them continued success in all their future endeavors.

Whereas, In the 17th century, Marquette, a Frenchman who was one of the first explorers of the Mississippi River, used the Calumet Portage between the little Calumet regions, possibly camping at the eastern mouth of the Grand Calumet River where Gary's Marquette Park is now dedicated in his honor;

Whereas, Three and a half years and \$100,000 later, the mills began to operate, and the first steel was poured;

Whereas, In a matter of months, the city of Gary, named in honor of Judge Gary, was founded for thousands of steelworkers and their families who came to the region;

Whereas, As the steel industry grew in Gary, other industries developed to service the mills or to turn the mills' raw materials into other products;

ACTION ON GUBERNATORIAL VETOES

House Enrolled Act 1142

MESSAGE FROM THE GOVERNOR

Mr. Speaker and Members of the House: By the authority vested in me as Governor of Indiana, under the provisions of Article 5, Section 14, of the Constitution of the State of Indiana, I do hereby veto House Enrolled Act No. 1142, enacted during the regular session of the 114th General Assembly and related to the expansion of Medicaid eligibility and organ procurement procedures.

Tomorrow I will sign a budget bill that curbs the rate of Medicaid spending to just above 5%. Considering that spending in this area was projected to grow at an unsustainable annual rate of more than 10% for the next several years, you and your colleagues made some very difficult decisions to implement a number of important and necessary measures to achieve this goal. In this situation, I cannot support measures that would damage the state's ability to control spending in this area and that would further strain its Medicaid budget.

This Act would have expanded Medicaid eligibility by permitting individuals to assign pre-paid life insurance policies to the state or make an irrevocable election to name the state a beneficiary of the policy. It is my understanding that the intention of the Act was to begin to address some of the significant financial issues facing our long-term care system. However, according to the State Budget Agency, this Act could have led to additional state Medicaid expenditures of \$12.4 million in FY06 and \$12.9 million in FY07.

In addition, this Act might have had the unintended consequence of opening the door to the kind of abuse that already plagues an overburdened Medicaid system—the manipulation of eligibility parameters at the expense of both the state and those already receiving coverage. Finally, it is unclear whether such a measure would have been acceptable to the Centers for Medicare and Medicaid Services at the federal level or would have resulted in the need to amend our State Medicaid Plan. As such, I do not believe that the passage of this Act is the most advisable step our state can take to provide long-term care coverage for needy Hoosiers at this time. This is a laudable goal, one that my administration will work in close coordination with the initial sponsor of the Act to pursue.

The other component of this Act purports to offer an improved process for organ harvesting and procurement in certain circumstances. However, it appears that many of the people affected by these measures—namely, the county coroners, county prosecutors, and organ and tissue procurement organizations—have not reached consensus on this effort. As a result, I am in favor of allowing more time for these constituencies to work on this very important issue and to address it in future legislative sessions.

I look forward to working with the authors of this Act on finding other ways to solve our looming uninsured problem in this state and providing quality health and long-term care services to Indiana's citizens in the future.

Date: May 12, 2005

MITCHELL E. DANIELS, JR.
Governor

The Speaker handed down House Enrolled Act 1142, authored by Representative T. Brown, which had been passed by the First Regular Session of the 114th General Assembly.

AN ACT to amend the Indiana Code concerning Medicaid and health.

The merits of House Enrolled Act 1142 and the governor's veto were debated. The question was, Shall House Enrolled Act 1142 pass, the Governor's veto notwithstanding?

Roll Call 420: yeas 7, nays 90. The Governor's veto was sustained.

House Enrolled Act 1224

MESSAGE FROM THE GOVERNOR

Mr. Speaker and Members of the House: By the authority vested in me as Governor of Indiana, under the provisions of Article 5,

Section 14, of the Constitution of the State of Indiana, I do hereby veto House Enrolled Act 1224, enacted during the regular session of the 114th General Assembly and related to the establishment of the aerospace and aeronautics initiative.

In this session, the General Assembly has already taken the historic step of creating the Indiana Economic Development Corporation—a vital measure necessary to promoting Indiana's competitiveness in the economic development environment. The IEDC is based on the model of public-private partnership for good reason. A key to its success will be its ability to operate with speed, flexibility, and efficiency in attracting and retaining businesses, to focus on its own initiatives, and to move quickly to take advantage of and create opportunities.

This legislation runs counter to the flexible structure and intent of the IEDC, in that it prescribes express requirements and imposes specific objectives for the IEDC in the aerospace and aeronautics area. Pursuing initiatives in this sector may very well be a proper and profitable strategy, but that should be a matter for the IEDC itself to determine, consistent with its own priorities and resources.

I therefore object to the bill on grounds that it has the potential to detract from the IEDC's purpose and to impede its speed and flexibility in acting upon its own priorities designed to increase incomes, create jobs, and provide a higher return on investments for Hoosier tax dollars.

RESOLUTIONS ON FIRST READING

House Concurrent Resolution 67

Representatives Bosma, Budak, and Avery introduced House Concurrent Resolution 67:

A CONCURRENT RESOLUTION recognizing the importance of enhancing employment opportunities for persons with disabilities.

Whereas, The 1976 Indiana General Assembly recognized the importance of enhancing employment opportunities for persons with disabilities by enacting HEA 1198, P.L.63-1976;

Whereas, P.L.63-1976 established the Committees for the Purchase of Products and Services of People with Severe Disabilities (now called the State Use Committee) for the purpose of increasing employment and training opportunities for people with disabilities;

Whereas, P.L.63-1976 encouraged state agencies and units of local government to buy products and services from nonprofit work centers providing employment to people with disabilities by providing a statutory purchasing preference;

Whereas, The State Use Committee's efforts have resulted in the employment and training of over 21,000 people with disabilities in the 30 years since 1976 and have resulted in over \$96.8 million in sales and over \$22.4 million in wages earned by people with disabilities;

Whereas, The purchases made by state agencies and local units of government have enabled persons with disabilities to be employed, contributing members of society earning income and paying taxes in Indiana during the last 30 years;

Whereas, The State Use Committee currently partners with more than 35 nonprofit work centers throughout Indiana offering more than 60 products and services in each of the 92 counties;

Whereas, During the 2005 fiscal year, more than 1,600 people with disabilities worked in the program, earning more than \$1.7 million of disposable income;

Whereas, Numerous products and services, such as office and cleaning supplies, highway safety items, food products, mailing, shredding, screen printing, and janitorial services at all state rest areas, have been mechanisms for increased employment and training opportunities;

Whereas, Through the good work and efforts of the State Use Committee, people with disabilities are offered opportunities to achieve greater self-worth and self-esteem, improved economic independence, and social inclusion, and the state realizes a savings through its investment in its citizens; and

Whereas, Representatives Phil Warner, Ed Cook, and Dennis Avery, and Senators Eldon Lundquist and Robert Kovach are to be lauded for their authorship and sponsorship of this important legislation for the state and its persons with disabilities: Therefore,

*Be it resolved by the House of Representatives
of the General Assembly of the State of Indiana,
the Senate concurring:*

SECTION 1. That the Indiana General Assembly expresses its continued commitment to citizens with disabilities by encouraging the continued and expanded procurement of approved products and services from those nonprofit agencies employing people with disabilities.

SECTION 2. That the Indiana General Assembly recognizes the immense value provided to the state as a whole and its people with disabilities employed as a result of the enactment of P.L.63-1976 on February 25, 1976, and the 30 year existence of the State Use Program.

SECTION 3. That the Indiana General Assembly continues to authorize and encourage state agencies and units of local government to participate in the State Use Program and congratulates those agencies and units that do so, as well as the State Use Committee, the Central Coordinating Agency, the nonprofit work centers, and the thousands of Hoosiers participating in the program for the last 30 years.

The resolution was read a first time and referred to the Committee on Rules and Legislative Procedures.

Representative Kersey introduced House Concurrent Resolution 68:

A CONCURRENT RESOLUTION urging the Indiana state department of health, the Indiana occupational safety and health administration division of the Indiana department of labor, and the Indiana department of environmental management to review the health and safety standards at railroad mobile camps.

Whereas, Mobile camps are temporary facilities set up to house maintenance of way employees who travel throughout the country to perform maintenance and repair work on railroad tracks;

Whereas, The Federal Railroad Administration has established guidelines for clean, safe, and sanitary railroad mobile camps in the Code of Federal Regulations at 49 CFR 228, Appendix C;

Whereas, Due to the temporary nature of the mobile railroad camps, oversight and inspection by federal authorities is limited; and

Whereas, Involvement of appropriate state and local agencies would help to address, in a more timely manner, health and safety issues for both the railroad maintenance of way employees and the residents of the communities in the area surrounding the mobile camps: Therefore,

*Be it resolved by the House of Representatives
of the General Assembly of the State of Indiana,
the Senate concurring:*

Whereas, The state of Indiana should study more fully the uses of screenings to develop and coordinate a health plan and ensure that parents are given adequate notice of their rights: Therefore,

of the General Assembly of the State of Indiana,
the Senate concurring:*

Whereas, The Ball State University architecture students, under the direction of Professor Sonne Palmer, completed the study with great skill and innovation and also finished the task in an exceptionally short time;

Whereas, Their two proposed designs have provided an excellent platform for future discussions and planning of improvements to the Indiana State House; and

Whereas, The Indiana General Assembly desires to thank the following Ball State University students and faculty members for their exemplary service to the state of Indiana: Jason Lee Brennaman, Melisa Rae Green, Nathan Yoder Herber, Jacob Edward Lloyd, David Allen Mallory, Nicholas John Martz, Jevon Clinton Ritchey, Shannon Renee Staicer, Thomas Lyle Werres, Michael James Winn, Alvin Earl, Sonne Palmer, Robert D. A HOUSE RESOLUTION to honor the Civil Air Patrol for its contributions to protecting the citizens of the United States.

Whereas, On December 1, 1941, the United States Air Force Auxiliary Civil Air Patrol (CAP) was founded to serve as a supplemental resource to assist the military in protecting United States citizens and was comprised of volunteer members from each state, Puerto Rico, and the District of Columbia;

Whereas, The capabilities of this new volunteer organization were put to the test almost immediately when Pearl Harbor was attacked just one week after its inception;

The notice must be in the following form:

NOTICE

TO: _____, _____ (owner(s)),
_____ (condemnor) needs your property
for a _____
(description of project), and will need to acquire the following from
you:

_____ (general
description of the property to be acquired). We have made you a
formal offer for this property that is now on file in the Clerk's Office
in the _____ County Court House. Please pick up the offer. If you
do not respond to this notice or accept the offer by _____ (a date 30
days from 1st date of publication) 20____, we shall file a suit to
condemn the property.

Condemnor

The condemnor must file the offer with the clerk of the circuit court with a supporting affidavit that diligent search has been made and that the owner cannot be found. The notice shall be published twice as follows:

- (1) One (1) notice immediately.
- (2) A subsequent publication at least seven (7) days and not more than twenty-one (21) days after the publication under subdivision (1).

(c) The offer to purchase must be in the following form:

UNIFORM PROPERTY OR EASEMENT ACQUISITION OFFER

_____ (condemnor) is authorized by Indiana law to obtain your property or an easement across your property for certain public purposes. _____ (condemnor) needs (your property) (an easement across your property) for a _____ (brief description of the project) and needs to take _____ (legal description of the property or easement to be taken; the legal description may be made on a separate sheet and attached to this document if additional space is required)

It is our opinion that the fair market value of the (property) (easement) we want to acquire from you is \$ _____, and, therefore, _____ (condemnor) offers you \$ _____ for the above described (property) (easement). You have ~~twenty-five (25)~~ **thirty (30)** days from this date to accept or reject this offer. If you accept this offer, you may expect payment in full within ninety (90) days after signing the documents accepting this offer and executing the easement, and provided there are no difficulties in clearing liens or other problems with title to land. Possession will be required thirty (30) days after you have received your payment in full.

HERE IS A BRIEF SUMMARY OF YOUR OPTIONS AND LEGALLY PROTECTED RIGHTS:

1. By law, _____ (condemnor) is required to make a good faith effort to purchase (your property) (an easement across your property).
2. You do not have to accept this offer **and _____ (condemnor) is not required to agree to your demands.**
3. However, if you do not accept this offer, and we cannot come to an agreement on the acquisition of (your property) (an easement), _____ (condemnor) has the right to file suit to condemn and acquire the (property) (easement) in the county in which the property is located.
4. You have the right to seek advice of an attorney, real estate appraiser, or any other person of your choice on this matter.
5. You may object to the public purpose and necessity of this project.
6. If _____ (condemnor) files a suit to condemn and acquire (your property) (an easement) and the court grants its request to condemn, the court will then appoint three appraisers who will make an independent appraisal of the (property) (easement) to be acquired.
7. If we both agree with the court appraisers' report, then the matter is settled. However, if either of us disagrees with the appraisers' report to the court, either of us has the right to ask for a trial to decide what should be paid to you for the (property) (easement) condemned.
8. If the court appraisers' report is not accepted by either of us, then _____ (condemnor) has the legal option of depositing the amount of the court appraisers' evaluation with the court. And if such a deposit is made with the court, _____ (condemnor) is legally entitled to immediate possession of the (property) (easement). You may, subject to the approval of the court, make withdrawals from the amount deposited with the court. Your withdrawal will in no way affect the proceedings of your case in court, except that, if the final judgment awarded you is less than the withdrawal you have made from the amount deposited, you will be required to pay back to the court the amount of the withdrawal in excess of the amount of the final judgment.
9. The trial will decide the full amount of damages you are to receive. Both of us will be entitled to present legal evidence supporting our opinions of the fair market value of the property or easement. The court's decision may be more or less than this offer. You may employ, at your cost, appraisers and attorneys to represent you at this time or at any time during the course of the proceeding described in this notice. (The condemnor may insert here any other information pertinent to this offer or required by circumstances or law).

(c) The court may not allow pleadings in the cause other than the complaint, any objections, and the written exceptions provided for in section 11 of this chapter. However, the court may permit amendments to the pleadings.

(d) If an objection is sustained, the plaintiff may amend the complaint or may appeal from the decision in the manner that appeals are taken from final judgments in civil actions. All the parties shall take notice and are bound by the judgment in an appeal.

(e) If the objections are overruled, the court shall appoint appraisers as provided for in this chapter. The offer or counter offer supersedes any other offer previously made under this chapter by the party.

(b) An offer of settlement is considered rejected unless an acceptance in writing is filed and served on the party making the offer before the trial on the issue of the amount of damages begins.

(c) If the offer is rejected, it may not be referred to for any purpose at the trial but may be considered solely for the purpose of awarding costs and litigation expenses under section 14 of this chapter.

(d) This section does not limit or restrict the right of a defendant to payment of any amounts authorized by law in addition to damages for the property taken from the defendant.

(e) This section does not apply to an action brought under IC 8-1-13-19 (repealed).

(B) the damages assessed **and, if applicable, attorney's fees payable under section 14 of this chapter** and costs if exceptions are filed to the appraisers' report and the exceptions are sustained;

not later than one (1) year after the entry of the judgment, if an appeal is not taken from the judgment;

(3) to pay the damages assessed **and, if applicable, attorney's fees payable under section 14 of this chapter** or the judgment rendered in the trial court not later than one (1) year after final judgment is entered in the appeal if an appeal is taken from the judgment of the trial court; or

(b) An action to declare a forfeiture under this section may be brought by any person having an interest in the property sought to be acquired, or the question of the forfeiture may be raised and determined by direct allegation in any subsequent proceedings, by any other person to acquire the property for a public use. In the subsequent proceedings the person seeking the previous acquisition or the person's proper representatives, successors, or assigns shall be made parties.

SECTION 15. IC 32-24-3-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 4. (a) After the appraisers file their report, any of the defendants may, within a reasonable time fixed by the court, file exceptions to the report, alleging that the appraisal of the property, as made by the appraisers, is not the true cash value of the property. If exceptions are filed, a trial on the exceptions shall be held by the court or before a jury, if asked by either party.

(b) The circuit court clerk shall give notice of filing of the appraisers' report to all known parties to the action and their attorneys of record by certified mail.

(c) Upon the trial of the exceptions, the court may revise, correct, amend, or confirm the appraisal in accordance with the finding of the court or verdict of the jury.

(d) The court shall apportion the costs accruing in the proceedings as justice may require. **However, if applicable, a landowner who incurs attorney's fees through the exercise of eminent domain under this chapter is entitled to reasonable attorney's fees in accordance with IC 32-24-1-14.**

CONFERENCE COMMITTEE REPORT
ESB 355-1; filed March 10, 2006, at 11:12 a.m.

Mr. Speaker: Your Conference Committee appointed to confer with a like committee from the Senate upon Engrossed House Amendments to Engrossed Senate Bill 355 respectfully reports that said two committee have conferred and agreed as follows to wit:

that the Senate recede from its dissent from all House amendments and that the Senate now concur in all House amendments to the bill and that the bill be further amended as follows:

Delete everything after the enacting clause and insert the following:

SECTION 1. IC 6-1.1-1-8 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 8. "General assessment provisions of this article" means the law contained in:

(1) chapters 3, 4, 5, 9, 11, 13, 14, 15, 16, 28, 31, and 35 of this article;

(2) sections 4, 6, 7, 8, 11, 12, and 13 of chapter 30 of this article;

(3) sections 1 through 7, inclusive, of chapter 36 of this article; and

(4) sections 2, 3, 7, 8, 9, **10.7**, 11, 12, and 13 of chapter 37 of this article.

SECTION 2. IC 6-1.1-18.5-12 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 12. (a) Any civil taxing unit that determines that it cannot carry out its governmental functions for an ensuing calendar year under the levy limitations imposed by section 3 of this chapter may:

(1) before September 20 **of the calendar year immediately preceding the ensuing calendar year;** or

(2) in the case of a request described in section 16 of this chapter, before:

(A) December 31 of the calendar year immediately preceding the ensuing calendar year; or

(B) **with the approval of the county fiscal body of the county in which the civil taxing unit is located, March 1 of the ensuing calendar year;**

appeal to the department of local government finance for relief from those levy limitations. In the appeal the civil taxing unit must state that it will be unable to carry out the governmental functions committed to it by law unless it is given the authority that it is petitioning for. The civil taxing unit must support these allegations by reasonably detailed statements of fact.

(b) The department of local government finance shall promptly deliver to the local government tax control board every appeal petition it receives under subsection (a) and any materials it receives relevant to those appeals. Upon receipt of an appeal petition, the local government tax control board shall immediately proceed to the examination and consideration of the merits of the civil taxing unit's appeal.

(c) In considering an appeal, the local government tax control board has the power to conduct hearings, require any officer or member of the appealing civil taxing unit to appear before it, or require any officer or member of the appealing civil taxing unit to provide the board with any relevant records or books.

(d) If an officer or member:

(1) fails to appear at a hearing of the local government tax control board after having been given written notice from the local government tax control board requiring **his that person's** attendance; or

(2) fails to produce for the local government tax control board's use the books and records that the local government tax control board by written notice required the officer or member to produce;

then the local government tax control board may file an affidavit in the circuit court in the jurisdiction in which the officer or member may be found setting forth the facts of the failure.

(e) Upon the filing of an affidavit under subsection (d), the circuit court shall promptly issue a summons, and the sheriff of the county within which the circuit court is sitting shall serve the summons. The summons must command the officer or member to appear before the local government tax control board, to provide information to the local government tax control board, or to produce books and records for the local government tax control board's use, as the case may be. Disobedience of the summons constitutes, and is punishable as, a contempt of the circuit court that issued the summons.

(f) All expenses incident to the filing of an affidavit under subsection (d) and the issuance and service of a summons shall be charged to the officer or member against whom the summons is issued, unless the circuit court finds that the officer or member was acting in good faith and with reasonable cause. If the circuit court finds that the officer or member was acting in good faith and with reasonable cause or if an affidavit is filed and no summons is issued, the expenses shall be charged against the county in which the affidavit was filed and shall be allowed by the proper fiscal officers of that county.

(g) The fiscal officer of a civil taxing unit that appeals under section 16 of this chapter for relief from levy limitations shall immediately file a copy of the appeal petition with the county auditor and the county treasurer of the county in which the unit is located.

SECTION 3. IC 6-1.1-19-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2. (a) A county board of tax adjustment may not approve or recommend the approval of an excessive tax levy.

(b) If a school corporation adopts or advertises an excessive tax levy, the county board of tax adjustment which reviews the school corporation's budget, tax levy, and tax rate shall reduce the excessive tax levy to the maximum normal tax levy.

(c) If a county board of tax adjustment approves, or recommends the approval of, an excessive tax levy for a school corporation, the auditor of the county for which the county board is acting shall reduce the excessive tax levy to the maximum normal tax levy. Such a reduction shall be set out in the notice required to be published by the auditor under IC 6-1.1-17-12, and an appeal shall be permitted therefrom as provided under IC 6-1.1-17 as modified by this chapter.

(d) Appeals from any action of a county board of tax adjustment or county auditor in respect of a school corporation's budget, tax levy, or tax rate may be taken as provided for by IC 6-1.1-17. Notwithstanding IC 6-1.1-17, a school corporation may appeal to the department of local government finance for emergency financial relief for the ensuing calendar year at any time before:

(1) September 20 **of the calendar year immediately preceding the ensuing calendar year;** or

(2) in the case of a request described in section 4.7(a) of this chapter:

(A) December 31 of the calendar year immediately preceding the ensuing calendar year; or

(B) **with the approval of the county fiscal body of the county in which the school corporation is located, March 1 of the ensuing calendar year.**

(e) In the appeal petition in which a school corporation seeks emergency financial relief, the appellant school corporation shall allege that, unless it is given the emergency financial relief for which it petitions, it will be unable to carry out, in the ensuing calendar year, the public educational duty committed to it by law, and it shall support that allegation by reasonably detailed statements of fact.

(f) When an appeal petition in which a school corporation petitions for emergency financial relief is filed with the department of local government finance, the department shall include, in the notice of the hearing in respect of the petition that it is required to give under IC 6-1.1-17-16, a statement to the effect that the appellant school corporation is seeking emergency financial relief for the ensuing calendar year. A subsequent action taken by the department of local government finance in respect of such an appeal petition is not invalid, however, or otherwise affected, if the department fails to include such a statement in the hearing notice.

(g) The fiscal officer of a school corporation that appeals under section 4.7(a) of this chapter for relief from levy limitations under this chapter shall immediately file a copy of the appeal petition with the county auditor and the county treasurer of the county in which the unit is located.

If the county council has adopted such an ordinance, then whenever a tax statement mailed under section 8 of this chapter shows that the person's property tax liability for a year is less than twenty-five dollars (\$25) for the property covered by that statement, the tax liability for that year is due in one (1) installment on May 10 of that year.

(d) If the county treasurer receives a copy of an appeal petition under IC 6-1.1-18.5-12(g) or IC 6-1.1-19-2(g) before the county treasurer mails or transmits statements under section 8(a) of this chapter, the county auditor may:

SECTION 8. IC 22-4-9-3, AS AMENDED BY P.L.98-2005, SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 3. (a) This section is subject to the provisions of IC 22-4-11.5.

(b) Any employer subject to this article as successor to an employer pursuant to the provisions of IC 22-4-7-2(a) or IC 22-4-7-2(b) shall cease to be an employer at the end of the year in which the acquisition occurs only if the **board department** finds that within such calendar year the employment experience of the predecessor prior to the date of disposition combined with the employment experience of the successor subsequent to the date of acquisition would not be sufficient to qualify the successor employer as an employer under the provisions of IC 22-4-7-1. No such successor employer may cease to be an employer subject to this article at the end of the first year of the current period of coverage of the predecessor employer. If all of the resources and liabilities of the experience account of an employer are assumed by another in accordance with the provisions of IC 22-4-10-6 or IC 22-4-10-7, such employer's status as employer and under this article is hereby terminated unless and until such employer subsequently qualifies under the provisions of IC 22-4-7-1 or IC 22-4-7-2 or elects to become an employer under sections 4 or 5 of this chapter.

(c) If no application for termination, as herein provided, is filed by an employer and four (4) full calendar years have elapsed since any contributions have become payable from such employer, then and in such cases the **board department** may terminate such employer's experience account.

SECTION 9. IC 22-4-9-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 4. Any employing unit not otherwise subject to this article which files with the **board department** its written election to become an employer subject to this article for not less than two (2) calendar years shall, with the written approval of such election by the ~~board,~~ **department**, become an employer subject to this article to the same extent as all other employers as of the date stated in such approval. ~~provided;~~ However, ~~that~~ the voluntary election of any such employer shall become inoperative if such employing unit becomes an employer by reason of IC 22-4-7-1.

SECTION 10. IC 22-4-10-1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 1. (a) Contributions shall accrue and become payable from each employer for each calendar year in which it is subject to this article with respect to wages paid during such calendar year. ~~except~~ Where the status of an employer is changed by cessation or disposition of business or appointment of a receiver, trustees, trustee in bankruptcy, or other fiduciary, contributions shall immediately become due and payable on the basis of wages paid or payable by such employer as of the date of the change of status. Such contributions shall be paid to the department in such manner as the ~~commissioner~~ **department** may prescribe, and shall not be deducted, in whole or in part, from the remuneration of individuals in an employer's employ. When contributions are determined in accordance with Schedule A as provided in IC 22-4-11-3, the **board department** may prescribe rules to require an estimated advance payment of contributions in whole or in part, if in the judgment of the **board department** such advance payments will avoid a debit balance in the fund during the calendar quarter to which the advance payment applies. An adjustment shall be made following the quarter in which an advance payment has been made to reflect the difference between the estimated contribution and the contribution actually payable. Advance payment of contributions shall not be required for more than one (1) calendar quarter in any calendar year.

~~(a)(1)~~ **(b)** Any employer which is, or becomes, subject to this article by reason of IC 22-4-7-2(g) or IC 22-4-7-2(h) shall pay contributions as provided under this article unless it elects to become liable for "payments in lieu of contributions" (as defined in IC 22-4-2-32).

~~(3)~~ **(d)** Any employer ~~which that~~ makes an election in accordance with ~~subdivisions (1) through (2)~~ **subsections (b) and (c)** will continue to be liable for "payments in lieu of contributions" until it files with the ~~commissioner department~~ a written notice terminating its election. ~~This~~ **The notice filed by an employer to terminate its election must be filed not later than thirty (30) days prior to the beginning of the taxable year for which such termination shall first be effective.**

~~(4)~~ **(e)** Any employer ~~which that~~ qualifies to elect to become liable for "payments in lieu of contributions" and has been paying contributions under this article, ~~for a period subsequent to January 1, 1972,~~ may change to a reimbursable basis by filing with the department not later than thirty (30) days prior to the beginning of any taxable year a written notice of election to become liable for payments in lieu of contributions. Such election shall not be terminable by the organization for that and the next year.

Governmental entities of this state and its political subdivisions electing to make "payments in lieu of contributions" shall be billed by the department at the end of each calendar month for an amount equal to the full amount of regular benefits plus the full amount of extended benefits paid during the month that is attributable to service in the employ of the governmental entities.

~~(2)~~ **(g)** Payment of any bill rendered under ~~subdivision (1)~~ **subsection (f)** shall be made not later than thirty (30) days after such bill was mailed to the last known address of the employer or was otherwise delivered to it, unless there has been an application for review and redetermination ~~in accordance with subdivision (4); filed under subsection (i).~~

~~(3)~~ **(h)** Payments made by any employer under the provisions of ~~this subsection~~ **subsections (f) through (j)** shall not be deducted or deductible, in whole or in part, from the remuneration of individuals in the employ of the employer.

~~(4)~~ **(i)** The amount due specified in any bill from the department shall be conclusive on the employer unless, not later than fifteen (15) days after the bill was mailed to its last known address or otherwise delivered to it, the employer files an application for redetermination. If the employer so files, the employer shall have an opportunity to be heard, and such hearing shall be conducted by a liability administrative law judge pursuant to IC 22-4-32-1 through IC 22-4-32-15. After the hearing, the liability administrative law judge shall immediately notify the employer in writing of the finding, and the bill, if any, so made shall be final, in the absence of judicial review proceedings, fifteen (15) days after such notice is issued.

~~(5)~~ **(j)** Past due payments of amounts in lieu of contributions shall be subject to the same interest and penalties that, pursuant to IC 22-4-29, apply to past due contributions.

~~(c)~~ **(k)** Two (2) or more employers that have elected to become liable for "payments in lieu of contributions" in accordance with ~~subsection (a)~~ **subsections (b) and (c)** may file a joint application with the department for the establishment of a group account for the purpose of sharing the cost of benefits paid that are attributable to service in the employ of such employers. Such group account shall be established as provided in regulations prescribed by the commissioner.

SECTION 12. IC 22-4-10-4 IS AMENDED TO READ AS

FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 4. **(a)** Except as provided in ~~section 1(a)~~ **section 1(b) through 1(e)** of this chapter, the commissioner shall maintain within the fund a separate experience account for each employer and shall credit to such account all contributions paid by such employer on its behalf except as otherwise provided in this article.

(b) The commissioner shall also maintain a separate account for each employer electing to make payments in lieu of contributions as provided in ~~section 1(a)~~ **section 1(b) through 1(e)** of this chapter and shall charge to such account all benefits chargeable to such employer and credit to such account all reimbursements made by such employer.

SECTION 13. IC 22-4-10-6, AS AMENDED BY P.L.98-2005, SECTION 6, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 6. (a) When:

the successor employer shall assume the position of the predecessor employer with respect to the portion of the resources and liabilities of the predecessor's experience account as pertains to the distinct and segregable portion of the predecessor's organization, trade, or business acquired by the successor. An application for the acquiring employer to assume this portion of the resources and liabilities of the disposing employer's experience account must be filed with the ~~commissioner department~~ on prescribed forms not later than ~~one hundred fifty (150) thirty (30)~~ days immediately following the disposition date or not later than ten (10) days after the disposing and acquiring employers are mailed or otherwise delivered final notice that the acquiring employer is a successor employer, whichever is the earlier date. This portion of the resources and liabilities of the disposing employer's experience account shall be transferred in accordance with IC 22-4-11.5.

(c) Except as provided by IC 22-4-11.5, the successor employer, if an employer prior to the acquisition, shall pay at the rate of contribution originally assigned to it for the calendar year in which the acquisition occurs, until the end of that year. If not an employer prior to the acquisition, the successor employer shall pay the rate of two and seven-tenths percent (2.7%) unless the successor employer assumes all or part of the resources and liabilities of the predecessor employer's experience account, in which event the successor employer shall pay at the rate of contribution assigned to the predecessor employer for the period starting with the first day of the calendar quarter in which the acquisition occurs, until the end of that year. However, if a successor employer, not an employer prior to the acquisition, simultaneously acquires all or part of the experience balance of two (2) or more employers, the successor employer shall pay at the highest rate applicable to the experience accounts totally or partially acquired for the period starting with the first day of the calendar quarter in which the acquisition occurs, until the end of the year. If the successor employer had any employment prior to the date of acquisition upon which contributions were owed under IC 22-4-9-1, the employer's rate of contribution from the first of the year to the first day of the calendar quarter in which the acquisition occurred would be two and seven-tenths percent (2.7%).

- (A) the individual has completed the reemployment services; or
- (B) failure by the individual to participate in or complete the reemployment services is excused by the director under IC 22-4-14-2(b).

The term "effort to secure full-time work" shall be defined by the board through rule which shall take into consideration whether such individual has a reasonable assurance of reemployment and, if so, the length of the prospective period of unemployment. However, if an otherwise eligible individual is unable to work or unavailable for work on any normal work day of the week the individual shall be eligible to receive benefits with respect to such week reduced by one-third (1/3) of the individual's weekly benefit amount for each day of such inability to work or unavailability for work.

(d) Notwithstanding any other provisions in this section or IC 22-4-15-2, no otherwise eligible individual shall be denied benefits for any week because the individual is in training with the approval of the department, nor shall such individual be denied benefits with respect to any week in which the individual is in training with the approval of the department by reason of the application of the provisions of this section with respect to the availability for work or active search for work or by reason of the application of the provisions of IC 22-4-15-2 relating to failure to apply for, or the refusal to accept, suitable work. (b) Except when the result would be inconsistent with the other provisions of this article, as provided in the rules of the ~~board,~~ **department,** the provisions of this article which apply to claims for, or the payment of, regular benefits shall apply to claims for, and the payment of, extended benefits.

For the individual who is not insured, the notice shall include the reason for the determination. Unless the individual, within ten (10) days after such determination was mailed to the individual's last known address, or otherwise delivered to the individual, asks a hearing thereon before an administrative law judge, such determination shall be final and benefits shall be paid or denied in accordance therewith.

(b) ~~Except as provided in subsection (i);~~ The department shall promptly furnish each employer in the base period whose experience or reimbursable account is potentially chargeable with benefits to be paid to such individual with a notice in writing of the employer's benefit liability. - (2) contains the least population of all districts contiguous to that territory.

~~(m)~~ **(p)** If any territory in the city is included in more than one (1) of the districts established under this section, the territory is included in the district that:

SECTION 59. IC 36-7-9-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 2. As used in this chapter:

"Community organization" means a citizen's group, neighborhood association, neighborhood development corporation, or similar organization that:

- (1) has specific geographic boundaries defined in its bylaws or articles of incorporation and contains at least forty (40) households within those boundaries;
- (2) is a nonprofit corporation that is representative of at least twenty-five (25) households or twenty percent (20%) of the households in the community, whichever is less;
- (3) is operated primarily for the promotion of social welfare and general neighborhood improvement and enhancement;
- (4) has been incorporated for at least two (2) years; and
- (5) is exempt from taxation under Section 501(c)(3) or 501(c)(4) of the Internal Revenue Code.

"Department" refers to the executive department authorized by ordinance to administer this chapter. In a consolidated city, this department is the department of metropolitan development, subject to IC 36-3-4-23.

"Enforcement authority" refers to the chief administrative officer of the department, except in a consolidated city. In a consolidated city, the division of development services is the enforcement authority, subject to IC 36-3-4-23.

"Hearing authority" refers to a person or persons designated as such by the executive of a city or county, or by the legislative body of a town. However, in a consolidated city, the director of the department or a person designated by ~~him~~ **the director** is the hearing authority. An employee of the enforcement authority may not be designated as the hearing authority.

"Known or recorded fee interest, life estate interest, or

equitable interest of a contract purchaser" means any fee interest, life estate interest, or equitable interest of a contract purchaser held by a person whose identity and address may be determined from:

- (1) **an instrument recorded in the recorder's office of the county where the unsafe premises is located;**
- (2) **written information or actual knowledge received by the department (or, in the case of a consolidated city, the enforcement authority); or**
- (3) **a review of department (or, in the case of a consolidated city, the enforcement authority) records that is sufficient to identify information that is reasonably ascertainable.**

"Known or recorded substantial property interest" means any right in real property, including a fee interest, a life estate interest, a future interest, a mortgage interest, or an equitable interest of a contract purchaser, that:

- (1) **may be affected in a substantial way by actions authorized by this chapter; and**

 - (A) **an instrument recorded in the recorder's office of the county where the unsafe premises is located;**
 - (B) **written information or actual knowledge received by the department (or, in the case of a consolidated city, the enforcement authority); or**
 - (C) **a review of department (or, in the case of a consolidated city, the enforcement authority) records that is sufficient to identify information that is reasonably ascertainable.**

"Substantial property interest" means any right in real property that may be affected in a substantial way by actions authorized by this chapter, including a fee interest, a life estate interest, a future interest, a present possessory interest, a mortgage interest, or an equitable interest of a contract purchaser. ~~In a consolidated city, the interest reflected by a deed, lease, license, mortgage, land sale contract, or lien is not a substantial property interest unless the deed, lease, license, mortgage, land sale contract, lien, or evidence of it is:~~

- (1) ~~recorded in the office of the county recorder; or~~
- (2) ~~the subject of a written information that is received by the division of development services and includes the name and address of the holder of the interest described.~~

SECTION 60. IC 36-7-9-7 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 7. (a) A hearing must be held relative to each order of the enforcement authority, except for an order issued under section 5(a)(2), 5(a)(3), 5(a)(4), or 5(a)(5) of this chapter. An order issued under section 5(a)(2), 5(a)(3), 5(a)(4), or 5(a)(5) of this chapter becomes final ten (10) days after notice is given, unless a hearing is requested before the ten (10) day period ends by a person holding a fee interest, life estate interest, **mortgage interest**, or equitable interest of a contract purchaser in the unsafe premises. The hearing shall be conducted by the hearing authority.

(b) The hearing shall be held on a business day no earlier than ten (10) days after notice of the order is given. The hearing authority may, however, take action at the hearing, or before the hearing if a written request is received by the enforcement authority not later than five (5) days after notice is given, to continue the hearing to a business day not later than fourteen (14) days after the hearing date shown on the order. Unless the hearing authority takes action to have the continued hearing held on a definite, specified date, notice of the continued hearing must be given to the person to whom the order was issued at least five (5) days before the continued hearing date, in the manner prescribed by section 25 of this chapter. If the order being considered at the continued hearing was served by publication, it is sufficient to give notice of the continued hearing by publication unless the enforcement authority has received information in writing that enables it to make service under section 25 of this chapter by a method other than publication.

(c) The person to whom the order was issued, any person having a substantial property interest in the unsafe premises that are the subject of the order, or any other person with an interest in the proceedings may appear in person or by counsel at the hearing. Each person appearing at the hearing is entitled to present evidence, cross-examine opposing witnesses, and present arguments.

(d) At the conclusion of any hearing at which a continuance is not granted, the hearing authority may make findings and take action to:

- (1) affirm the order;
- (2) rescind the order; or
- (3) modify the order, but unless the person to whom the order was issued, or counsel for that person, is present at the hearing, the hearing authority may modify the order in only a manner that makes its terms less stringent.

(e) In addition to affirming the order, in those cases in which the hearing authority finds that there has been a willful failure to comply with the order, the hearing authority may impose a civil penalty in an amount not to exceed five thousand dollars (\$5,000). The effective date of the civil penalty may be postponed for a reasonable period, after which the hearing authority may order the civil penalty reduced or stricken if the hearing authority is satisfied that all work necessary to fully comply with the order has been done. For purposes of an appeal under section 8 of this chapter or enforcement of an order under section 17 of this chapter, action of the hearing authority is considered final upon the affirmation of the order, even though the hearing authority may retain jurisdiction for the ultimate determination of a fine related to the civil penalty. **In the hearing authority's exercise of continuing jurisdiction, the hearing authority may, in addition to reducing or striking the civil penalty, impose one (1) or more additional civil penalties in an amount not to exceed five thousand dollars (\$5,000) per civil penalty. An additional civil penalty may be imposed if the hearing authority finds that:**

- (1) significant work on the premises to comply with the affirmed order has not been accomplished; and
- (2) the premises have a negative effect on property values or the quality of life of the surrounding area or the premises require the provision of services by local government in excess of the services required by ordinary properties.

~~(f)~~ (f) If, at a hearing, a person to whom an order has been issued requests an additional period to accomplish action required by the order, and shows good cause for this request to be granted, the hearing authority may grant the request. However, as a condition for allowing the additional period, the hearing authority may require that the person post a performance bond to be forfeited if the action required by the order is not completed within the additional period.

~~(g)~~ (g) The board or commission having control over the department shall, at a public hearing, after having given notice of the time and place of the hearing by publication in accordance with IC 5-3-1, adopt a schedule setting forth the maximum amount of performance bonds applicable to various types of ordered action. The hearing authority shall use this schedule to fix the amount of the performance bond required under subsection ~~(e)~~ (f).

~~(h)~~ (h) The record of the findings made and action taken by the hearing authority at the hearing shall be available to the public upon request. However, neither the enforcement authority nor the hearing authority is required to give any person notice of the findings and action.

~~(i)~~ (i) If a civil penalty under subsection ~~(d)~~ (e) is unpaid for more than fifteen (15) days after payment of the civil penalty is due, the civil penalty may be collected from any person against whom the hearing officer assessed the civil penalty or fine. A civil penalty or fine may be collected under this subsection in the same manner as costs under section 13 or 13.5 of this chapter. The amount of the civil penalty or fine that is collected shall be deposited in the unsafe building fund.

SECTION 61. IC 36-7-9-8 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 8. (a) An action taken under section 7(d) or 7(e) of this chapter is subject to review by the circuit or superior court of the county in which the unsafe premises are located, on request of:

- (1) any person who has a substantial property interest in the unsafe premises; or
- (2) any person to whom that order was issued.

(b) A person requesting judicial review under this section must file a verified complaint including the findings of fact and the action taken by the hearing authority. The complaint must be filed within ten (10) days after the date when the action was taken.

(c) An appeal under this section is an action de novo. The court

may affirm, modify, or reverse the action taken by the hearing authority.

SECTION 62. IC 36-7-9-10 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 10. (a) The enforcement authority may cause the action required by an order issued under section 5(a)(2), 5(a)(3), 5(a)(4), or 5(a)(5) of this chapter to be performed by a contractor if:

- (1) the order has been served, in the manner prescribed by section 25 of this chapter, on each person having a **known or recorded** fee interest, life estate interest, or equitable interest of a contract purchaser in the unsafe premises that are the subject of the order;
- (2) the order has not been complied with;
- (3) a hearing was not requested under section 5(b)(6) of this chapter, or, if a hearing was requested, the order was affirmed at the hearing; and
- (4) the order is not being reviewed under section 8 of this chapter.

(b) The enforcement authority may cause the action required by an order, other than an order under section 5(a)(2), 5(a)(3), 5(a)(4), or 5(a)(5) of this chapter, to be performed if:

- (1) service of an order **under section 5(a)(1) of this chapter**, in the manner prescribed by section 25 of this chapter, has been made on each person having a **known or recorded** substantial property interest or **present possessory interest** in the unsafe premises that are the subject of the order;
- (2) **service of an order under section 5(a)(6), 5(a)(7), or 5(a)(8) of this chapter, in the manner prescribed by section 25 of this chapter, has been made on each person having a known or recorded substantial property interest in the unsafe premises that are the subject of the order;**
- ~~(3)~~ (3) the order has been affirmed or modified at the hearing in such a manner that all persons having a **known or recorded** substantial property interest, **and persons holding a present possessory interest, as required**, in the unsafe premises that are the subject of the order are currently subject to an order requiring the accomplishment of substantially identical action;
- ~~(4)~~ (4) the order, as affirmed or modified at the hearing, has not been complied with; and
- ~~(5)~~ (5) the order is not being reviewed under section 8 of this chapter.

(c) If action is being taken under this section on the basis of an order that was served by publication, it is sufficient to serve the statement by publication and indicate that the enforcement authority intends to perform the work, unless the authority has received information in writing that enables it to make service under section 25 of this chapter by a method other than publication.

SECTION 63. IC 36-7-9-11 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 11. (a) The work required by an order of the enforcement authority may be performed in the following manner:

- (1) If the work is being performed under an order other than an order under section 5(a)(2), 5(a)(3), or 5(a)(4) of this chapter, and if the cost of this work is estimated to be less than ten thousand dollars (\$10,000), the department, acting through the unit's enforcement authority or other agent, may perform the work by means of the unit's own workers and equipment owned or leased by the unit. Notice that this work is to be performed must be given to all persons with a **known or recorded** substantial property interest, in the manner prescribed in subsection (c), at least ten (10) days before the date of performance of the work by the enforcement authority. This notice must include a statement that an amount representing a reasonable estimate of the cost incurred by the enforcement authority in processing the matter and performing the work may, if not paid, be recorded after a hearing as a lien against all persons having a fee interest, life estate interest, or equitable interest of a contract purchaser in the unsafe premises.
- (2) If the work is being performed under an order other than an order under section 5(a)(2), 5(a)(3), or 5(a)(4) of this chapter, and if the estimated cost of this work is ten thousand dollars (\$10,000) or more, this work must be let at public bid to a contractor licensed and qualified under law. The obligation to

pay costs imposed by section 12 of this chapter is based on the condition of the unsafe premises at the time the public bid was accepted. Changes occurring in the condition of the unsafe premises after the public bid was accepted do not eliminate or diminish this obligation.

(3) If the work is being performed under an order issued under section 5(a)(2), 5(a)(3), or 5(a)(4) of this chapter, the work may be performed by a contractor who has been awarded a base bid contract to perform the work for the enforcement authority, or by the department, acting through the unit's enforcement authority or other governmental agency and using the unit's own workers and equipment owned or leased by the unit. Work performed under an order issued under section 5(a)(2), 5(a)(3), or 5(a)(4) of this chapter may be performed without further notice to the persons holding a fee interest, life estate interest, or equitable interest of a contract purchaser, and these persons are liable for the costs incurred by the enforcement authority in processing the matter and performing the work, as provided by section 12 of this chapter.

(b) Bids may be solicited and accepted for work on more than one (1) property if the bid reflects an allocation of the bid amount among the various unsafe premises in proportion to the work to be accomplished. The part of the bid amount attributable to each of the unsafe premises constitutes the basis for calculating the part of the costs described by section 12(a)(1) of this chapter.

(c) All persons who have a **known or recorded** substantial property interest in the unsafe premises and are subject to an order other than an order under section 5(a)(2), 5(a)(3), or 5(a)(4) of this chapter must be notified about the public bid in the manner prescribed by section 25 of this chapter, by means of a written statement including:

- (1) the name of the person to whom the order was issued;
- (2) a legal description or address of the unsafe premises that are the subject of the order;
- (3) a statement that a contract is to be let at public bid to a licensed contractor to accomplish work to comply with the order;
- (4) a description of work to be accomplished;
- (5) a statement that both the bid price of the licensed contractor who accomplishes the work and an amount representing a reasonable estimate of the cost incurred by the enforcement authority in processing the matter of the unsafe premises may, if not paid, be recorded after a hearing as a lien against all persons having a fee interest, life estate interest, or equitable interest of a contract purchaser in the unsafe premises;
- (6) the time of the bid opening;
- (7) the place of the bid opening; and
- (8) the name, address, and telephone number of the enforcement authority.

(d) If the notice of the statement that public bids are to be let is served by publication, the publication must include the information required by subsection (c), except that it need only include a general description of the work to be accomplished. The publication must also state that a copy of the statement of public bid may be obtained from the enforcement authority.

(e) Notice of the statement that public bids are to be let must be given, at least ten (10) days before the date of the public bid, to all persons who have a **known or recorded** substantial property interest in the property and are subject to an order other than an order under section 5(a)(2), 5(a)(3), or 5(a)(4) of this chapter.

(f) If action is being taken under this section on the basis of an order that was served by publication, it is sufficient to serve the statement that public bids are to be let by publication, unless the enforcement authority has received information in writing that enables the unit to make service under section 25 of this chapter by a method other than publication.

SECTION 64. IC 36-7-9-13 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 13. (a) If all or any part of the costs listed in section 12 of this chapter remain unpaid for any unsafe premises (other than unsafe premises owned by a governmental entity) for more than fifteen (15) days after the completion of the work, the enforcement authority does not act under section 13.5 of this chapter, and the enforcement authority determines

that there is a reasonable probability of obtaining recovery, the enforcement authority shall prepare a record stating:

- (1) the name and last known address of each person who held a **known or recorded** fee interest, life estate interest, or equitable interest of a contract purchaser in the unsafe premises from the time the order requiring the work to be performed was recorded to the time that the work was completed;
- (2) the legal description or address of the unsafe premises that were the subject of work;
- (3) the nature of the work that was accomplished;
- (4) the amount of the unpaid bid price of the work that was accomplished; and
- (5) the amount of the unpaid average processing expense.

The record must be in a form approved by the state board of accounts.

(b) The enforcement authority, or its head, shall swear to the accuracy of the record before the clerk of the circuit court and deposit the record in the clerk's office. Notice that the record has been filed and that a hearing on the amounts indicated in the record may be held must be sent **in the manner prescribed by section 25 of this chapter to all of the following:**

- (1) The persons named in the record. ~~in the manner prescribed by section 25 of this chapter.~~
- (2) **Any mortgagee that has a known or recorded substantial property interest.**

- (2) who is not a Model 1, Model 2, or Model 3 seller (as defined in the Streamlined Sales and Use Tax Agreement); and
- (3) whose liability for collections of state gross retail and use taxes under this section for the preceding calendar year as determined by the department does not exceed one thousand dollars (\$1,000);

is not required to file a monthly gross retail and use tax return.
SECTION 6. IC 6-2.5-13-1 IS AMENDED TO READ AS

FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1. (a) As used in this section, the terms "receive" and "receipt" mean:

- (1) taking possession of tangible personal property;
 - (2) making first use of services; or
 - (3) taking possession or making first use of digital goods;
- whichever comes first. The terms "receive" and "receipt" do not include possession by a shipping company on behalf of the purchaser.

(b) This section:

- (1) applies regardless of the characterization of a product as tangible personal property, a digital good, or a service;
- (2) applies only to the determination of a seller's obligation to pay or collect and remit a sales or use tax with respect to the seller's retail sale of a product; and
- (3) does not affect the obligation of a purchaser or lessee to remit tax on the use of the product to the taxing jurisdictions of that use.

(c) This section does not apply to sales or use taxes levied on the following:

- (1) The retail sale or transfer of watercraft, modular homes, manufactured homes, or mobile homes. These items must be sourced according to the requirements of this article.
- (2) The retail sale, excluding lease or rental, of motor vehicles, trailers, semitrailers, or aircraft that do not qualify as transportation equipment, as defined in subsection (g). The retail sale of these items shall be sourced according to the requirements of this article, and the lease or rental of these items must be sourced according to subsection (f).
- (3) Telecommunications services, as set forth in IC 6-2.5-12, shall be sourced in accordance with IC 6-2.5-12.

(d) The retail sale, excluding lease or rental, of a product shall be sourced as follows:

- (1) When the product is received by the purchaser at a business location of the seller, the sale is sourced to that business location.
- (2) When the product is not received by the purchaser at a business location of the seller, the sale is sourced to the location where receipt by the purchaser (or the purchaser's donee, designated as such by the purchaser) occurs, including the location indicated by instructions for delivery to the purchaser (or donee), known to the seller.
- (3) When subdivisions (1) and (2) do not apply, the sale is sourced to the location indicated by an address for the purchaser that is available from the business records of the seller that are maintained in the ordinary course of the seller's business when use of this address does not constitute bad faith.
- (4) When subdivisions (1), (2), and (3) do not apply, the sale is sourced to the location indicated by an address for the purchaser obtained during the consummation of the sale, including the address of a purchaser's payment instrument, if no other address is available, when use of this address does not constitute bad faith.
- (5) When none of the previous rules of subdivision (1), (2), (3), or (4) apply, including the circumstance in which the seller is without sufficient information to apply the previous rules, then the location will be determined by the address from which tangible personal property was shipped, from which the digital good or the computer software delivered electronically was first available for transmission by the seller, or from which the service was provided (disregarding for these purposes any location that merely provided the digital transfer of the product sold).

(e) The lease or rental of tangible personal property, other than property identified in subsection (f) or (g), shall be sourced as follows:

- (1) For a lease or rental that requires recurring periodic payments, the first periodic payment is sourced the same as a retail sale in accordance with the provisions of subsection (d). Periodic payments made subsequent to the first payment are sourced to the primary property location for each period covered by the payment. The primary property location shall be as indicated by an address for the property provided by the lessee that is available to the lessor from its records maintained in the ordinary course of business, when use of this address does

not constitute bad faith. The property location shall not be altered by intermittent use at different locations, such as use of business property that accompanies employees on business trips and service calls.

- (2) For a lease or rental that does not require recurring periodic payments, the payment is sourced the same as a retail sale in accordance with the provisions of subsection (d).

This subsection does not affect the imposition or computation of sales or use tax on leases or rentals based on a lump sum or an accelerated basis, or on the acquisition of property for lease.

(f) The lease or rental of motor vehicles, trailers, semitrailers, or aircraft that do not qualify as transportation equipment, as defined in subsection (g), shall be sourced as follows:

- (1) For a lease or rental that requires recurring periodic payments, each periodic payment is sourced to the primary property location. The primary property location shall be as indicated by an address for the property provided by the lessee that is available to the lessor from its records maintained in the ordinary course of business, when use of this address does not constitute bad faith. This location shall not be altered by intermittent use at different locations.

- (2) For a lease or rental that does not require recurring periodic payments, the payment is sourced the same as a retail sale in accordance with the provisions of subsection (d).

This subsection does not affect the imposition or computation of sales or use tax on leases or rentals based on a lump sum or accelerated basis, or on the acquisition of property for lease.

(g) The retail sale, including lease or rental, of transportation equipment shall be sourced the same as a retail sale in accordance with the provisions of subsection (d), notwithstanding the exclusion of lease or rental in subsection (d). As used in this subsection, "transportation equipment" means any of the following:

- (1) Locomotives and railcars that are used for the carriage of persons or property in interstate commerce.
- (2) Trucks and truck-tractors with a gross vehicle weight rating (GVWR) of ten thousand one (10,001) pounds or greater, trailers, semitrailers, or passenger buses that are:

- (4) Containers designed for use on and component parts attached or secured on the items set forth in subdivisions (1) through (3).

(h) This subsection applies to retail sales of floral products that occur before January 1, 2008. Notwithstanding subsection (d), a retail sale of floral products in which a florist or floral business:

- (1) takes a floral order from a purchaser; and**
- (2) transmits the floral order by telegraph, telephone, or other means of communication to another florist or floral business for delivery;**

is sourced to the location of the florist or floral business that originally takes the floral order from the purchaser.
